

### Cancer - Karka - Moon Sign - 2010 - Forecast.□

Cancer (Karka) Moon Sign born people continue to have the positive work related gains of 2009 in 2010 too. Increase of name and fame in 2010.

The year 2010 begins with Cancer Rashi people in high energy drives. They are already going full speed to achieve their job and business targets. The year 2010 gives them enough fuel and space to reach the zenith of their potential.

**Health:** Cancer Moon Sign born people will give more attention to their well physical being this year. The momentum of physical exercises which they picked up in December 2009 will continue in first half of 2010.

Yoga, meditations and aerobics will become a part of the daily routine.

Health disorders related to head, hair, ear, nose and mouth will take up most attention in first half of 2010. Also, those Cancer born people who are already having problems related to diabetes and to liver will need to be more careful in first four months of 2010. March and April 2010 are most crucial in this regard.

In latter part of the year health will be good and in the last four months Cancer or Karka Rashi people will enjoy the blissfulness good health and spiritual well being.

**Job:** In job areas the Cancer (Karka) Moon sign born people will see unprecedented support from their superiors and bosses. The months of January, February, March and April 2010 will turn around the workplace scenario so much in their favor that their egos may get slightly inflated as a result.

The Cancer Rashi people will take up some difficult and time consuming tasks in the beginning of 2010. Although these tasks will look quite impossible at first the perseverance and hard work will pay well. The tasks will be finished in time to great satisfaction of all at the workplace.

While senior and bosses will appreciate and value your work, your co-workers will develop feelings of envy and rivalry after seeing your wonderful performances. There will be efforts to undermine your efforts. Just do not react to such tactics by your rivals and you will end up in a better position in end.

Travels related to work both in and out of your country will take place in July, October and December 2010.

Enjoy the blessings of good planetary positions in 2010.

**Business:** Cancer or Karka Rashi born people are good planners and are great thinkers too. This gives them the courage to take up difficult challenges at work without losing any confidence. In 2010, this very quality of Cancer Moon Sign born people will help them pursue and complete their business goals in time.

Already, as 2009 bids goodbye and 2010 sets in, you have started working on your plans for business growth and expansions. The efforts are for long term stable results. You are working on laying strong foundations to your business structure.

Unwanted and irritating legal issues may arise due to mischief caused by some jealous rivals. Be prepared for them and take adequate measures to avoid any legal complications possible related to your enterprise.

Business partners may get into sour mood time and again in first half of 2010. It is advisable to try to go without any dependencies on any partners. Be the sole master of your own work and you will the maximum benefits.

**Wealth:** The maximum monetary gains will come from October 2010 to the end of 2010. The first three months of 2010 will bring some money too but most of it will be spent on necessary and crucial expenses.

Past investments in stocks and bank deposits will give good returns in March-April 2010.

**Education:** Cancer Rashi born people are already on fast track of getting educated. The exams which were not cleared in 2009 will become easy to clear in 2010. Those pursuing higher education will perform their best this year.

2010 is a highly favorable year for Cancer or Karka Rashi born people with regards to education and training.

**Real Estate:** Karka Moon Sign people have been attempting to buy a good home since last few years but to no avail. In 2010 first half itself, especially in April 2010, they will get good opportunities to buy their dream home. All planets are in favor for acquiring a good residential property.

**Vehicle:** Some have bought a new vehicle in last months of 2009. Those who are still looking for better options will get their dreams fulfilled in March-April 2009. Another good time to buy a vehicle is in October 2010.

**Love:** Since last one and half years Cancer Rashi born were suffering under the highly emotionally charged mischief of Rahu in love matters. They had started feeling like a magnet whose poles keep switching, attracting and repelling people of opposite sex quite frequently. Now, as Rahu has shifted 2010 gives the Cancer Moon sign born to experiment a lot in matters of love.

Love will be found quite near to home this year. Throw parties at your home. Invite friends and enjoy the blessings of a strong Venus in last four months of 2010.

Avoid getting into any arguments or heated discussions with your beloved. Even a seemingly small argument will escalate into a difficult situation. Just do not speak your mind. Better to listen than to give your opinion. Love falls into the lap of the best listener.

**Marriage:** 2010 is a favorable year for getting engaged but not to get married. Any plans for marriage can go haywire just because you and your beloved will not be able to convince each other about the expenses involved.

Still, if you decide to tie the knot then the months of April, May and November 2010 are best time to get married for Karka Rashi people.

**Family:** Health of family members will be good and trouble free in 2010. Some minor health issues can come up for your spouse and your father in July-August 2010. But, overall 2010 will be a healthy year for Cancer (Karka) Moon Sign born people.

Siblings will give more positive and helpful attention than usual. Relations with them will improve.

For Karka Rashi people who are facing marriage related issues, 2010 may increase the problem to much extent. Marriages on verge of collapse will collapse. The relations which were being dragged will finally be cut off giving much relief to both parties.

The first half of 2010, March 2010, and September-October 2010 are very favorable for Cancer Rashi people who are planning to extend the family.

**Travels:** Unexpected and sudden travels in 2010. Cancer Moon Sign people will travel at very short notices giving much chagrin to their family members in 2010. These short notice journeys will not be limited to short distances but even to travels abroad too.

So, keep your bags ready and your vehicles serviced.

**Remedies:** Donate Black and Green colored garments, green leafy vegetables, etc to the needy in 2010. Such donations if done on Saturdays and Wednesdays will give more benefits.

Keep fasts on Wednesdays in 2010. Eat one full meal and take fruits or milk at other meal times.
