

Sagittarius - Dhanu - Moon Sign - 2012 - Jyotish Forecast.□

Business gains, better job and increased flow of income will be accompanied with health problems, high expenses and legal hassles for the people born under the Moon Sign Sagittarius or Dhanu in this year 2012.

HEALTH: Health prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Watch out for serious liver and pancreas troubles in 2012. Urinary problems and skin allergies can also worry the Dhanu rashi people in this coming year. Stay away from fatty foods and high carbohydrate diets. Exercise and a balanced diet will be the primary treatment for your ailments in 2012.

The health problems will intensify from August to December and they will reach their peak around the beginning of November 2012.

JOB: Job prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Salary increment and timely bonus will make the first four months very satisfactory for those who are in regular jobs. But the later months can be difficult as unfavourable transits of planets can bring about a reduction in salary and perks and even a sudden loss of job. July 2012 will be a difficult month.

BUSINESS: Business prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Entrepreneurs dealing in metals and furniture will do well in 2012. Also, those who are in construction business and in food industry will find this year to be extremely beneficial.

Income will grow well and as planned in 2012. Business costs will remain low in first half but can balloon to great extent in the second half of 2012. But, they will not affect the overall profits of 2012 which will be high.

If there is a requirement for acquiring commercial space for business then it should be done

either in January or in April. February and March 2012 are not good for investing in business in ways of buying real estate or other capital goods.

Business partnerships will begin to give troubles from June 2012 onwards. No new business collaborations should be done in 2012. The effort should be to continue the existing collaborations as long as possible.

EDUCATION: Education prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Full focus on education and good performance in examinations will be there in first five months of 2012. The later seven months are good for only those students who are studying medicine, politics, banking or accounting.

Dhanu rashi students will also get a good chance to go abroad for studies in June and July 2012.

WEALTH: Wealth prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Savings will increase and investments will give good and regular returns in 2012. Some Dhanu rashi people will benefit well from monthly interests or returns from their investments.

Stocks of commodities like crude oil, metals and timber will give best returns among all investments in 2012.

REAL ESTATE: Property related prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Avoid investing in residential real estate in second half of 2012. Also, any loan or mortgage on the properties which are already in possession of Dhanu rashi people can cause some worries. There are chances of getting into legal troubles due to real estate in 2012.

VEHICLE: Prospects related to vehicles for 2012 for Sagittarius or Dhanu moon sign born people:

June and July 2012 can bring some huge spending of money on purchase, modification, decoration or repair of personal vehicle. This will create some financial burden which will be reduced only by the end of 2012.

LOVE: Love and Romance prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Love will take Dhanu rashi people on an emotional roller coaster ride in 2012. The months of May and June can be very testing and emotionally painful. The initial joys of flirting, dating, parties and outings will become marred by feelings of jealousy, doubts and possessiveness.

Dhanu rashi people will realise in 2012 that love cannot be bought by money. A lot of illusions in love will be formed and broken in this year.

MARRIAGE: Marriage prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Not a favourable year to get married though there will be many proposals coming for marriage this year. It is advisable to not fix any dates for engagement or marriage in 2012. If marriage plans are made for 2012 then expenses can be much higher than what pocket allows. Due to unfavourable transit of Saturn and Rahu this year some or the other obstacle, regarding arrangements, finances, and health and professional compulsions will persist.

FAMILY: Prospects related to family and relatives for 2012 for Sagittarius or Dhanu moon sign born people:

Family business or other traditional enterprises will grow better by able inputs and support by Dhanu rashi people. Parents will be happy with this welcome change in the attitudes of Dhanu rashi people towards their families.

Siblings will require their help in business and other areas of life. Dhanu rashi people are very likely to work together with one or more of their siblings or cousins in 2012.

2012 is a beneficial year for extending family by child birth or by marriage of one of the offspring. It is a very good year with regards to children's welfare, education and their progress in different areas of life.

Relations with spouse will improve dramatically in 2012. Last three years coldness will end and the distances which were increasing will start shortening in 2012.

TRAVEL: Travel prospects for 2012 for Sagittarius or Dhanu moon sign born people:

Travels for business, job and education purposes will be there in first half of 2012. Also, in March and April, religious journeys may be undertaken by Dhanu rashi people.

Avoid travelling in August and October 2012 and watch what you eat on your journeys this year. Stomach troubles and travel illnesses can reduce the fun of travels.

REMEDIES: Jyotish remedies for 2012 for Sagittarius or Dhanu moon sign born people:

Avoid wearing Grey and Green colours in 2012. If health allows then keep fasts on Saturdays.

In Gem therapy, wear a good quality Ruby in last week of April 2012. You can also wear it in combination with a natural Red coral on one ring itself on the ring finger.
