

Leo - Simha - Moon Sign - 2015 - Jyotish Forecast.□

Simha rashi people will find this year 2015 to be a year of highs and lows. The downs of the first half will be compensated by the highs of the second half. Family affairs and money matters will keep troubling them this year. Health and education will require more focus in 2015 too. But, spiritually and professionally Simha rashi people will do very well this year.

HEALTH: Health prospects for 2015 for Leo or Simha moon sign born people:

Simha rashi people will continue to have the health issues, which arose in the last four months of 2014, in the first half of 2015 too. But, from July onwards the health gains will be fast and satisfactory. The health gains could be so good that many Simha rashi people could end up gaining a lot of weight by the end of 2015.

The time to be extra cautious about is in January, February, March and July 2015. Leo moon sign people should keep their alcohol consumption to moderate levels this year. Any lack of control and the health losses will be severe. Other possible health problems could be related to digestion, high blood sugar, allergies and urinary problems.

The Simha rashi people may also have to undergo a surgery this year. This is more likely to happen either in March or in August 2015.

JOB: Job prospects for 2015 for Leo or Simha moon sign born people:

Simha rashi employees should not take any chances with their jobs this year. They should try to continue with their existing jobs till August 2015. After that, around October they will get good opportunities to change jobs for better ones.

The new jobs will have better work profile and position but there will not be much change in the salary. But, the overall money in hand at the end of the month will be more than the previous job.

Those Simha rashi employees who are not changing their companies will have to shift to

another place of work or office in the same company. This will happen around April or September 2015.

BUSINESS: Business prospects for 2015 for Leo or Simha moon sign born people:

Due to paucity of funds the business will progress slowly till August 2015 despite an increase in business expenditure. Simha rashi entrepreneurs are warned not to be swayed by the desires to put in high amounts of money in business before August 2015. If they are patient till August then the requirement to invest more in business will end.

From August onwards the growth in business will be good. Simha rashi businessmen will be able to find business partners very near to their homes. It is possible that they may enter into partnerships with their own family members in January or February 2015.

EDUCATION: Education prospects for 2015 for Leo or Simha moon sign born people:

Students of Simha rashi should stay more focused on their studies in the first half of 2015. Any laziness or laid back attitude will cost them the success in examinations.

But, those students who are trying to get admissions in foreign universities or in educational institutions in other cities will succeed in their attempts this year.

The second half of 2015 is extremely fruitful for Simha rashi students in terms of success in studies, good performance in examinations and getting admissions in choicest of educational courses.

For the Simha rashi students the best and most favorable months regarding education in 2015 are August, September and December 2015. February and March 2015 are not favorable for them.

WEALTH: Wealth prospects for 2015 for Leo or Simha moon sign born people:

2015 will make Simha rashi people more insecure about their savings, investments and accumulated wealth. Despite their attempts to increase their savings and investing in diverse kinds of investments the anxiety about financial stability will keep haunting their minds this year.

In the first half of this year expenses will remain higher than the income and the savings. But, from July 2015 onwards the Simha rashi people will be able to increase their incomes and reduce the expenses.

REAL ESTATE: Property related prospects for 2015 for Leo or Simha moon sign born people:

The Simha rashi people will have a few good offers related to buying real estate in January, February and June 2015. They should invest in real estate but only after becoming very sure about the value of the property. Any hurry and they may end up paying more for a less valuable property.

Leo moon sign people may be shifting residences this year. This is more likely to happen around April or October this year. They should not change residences in August and November 2015.

VEHICLE: Prospects related to vehicles for 2015 for Leo or Simha moon sign born people:

April is a good month to buy a new personal vehicle. Simha rashi people may go overboard and buy a vehicle which strains their pockets to the limits. After April, the next good time to buy a vehicle is in October 2015.

Simha rashi people should be extra careful about their vehicles in March and August 2015 against theft and other harms occurring to the vehicle. They should also drive very carefully during these months.

LOVE: Love and Romance prospects for 2015 for Leo or Simha moon sign born people:

The last four months of 2015 are good for love life of Simha rashi people, especially September and December. They will find love near to their place of living. It is possible that Simha rashi people may follow the golden rule 'Love Thy Neighbour' to the word this year.

Simha rashi people may try to win over love by spending money this year. But, they are warned that any unusual show of money power may backfire and the love may be lost as a result. So, spend money but wisely.

MARRIAGE: Marriage prospects for 2015 for Leo or Simha moon sign born people:

From the very beginning of 2015 Simha rashi people will be in a favorable yoga for marriage which will be effective in all months of 2015. Those who are in steady relationships will decide to get married. Those who are engaged will get married. Those who are looking for suitable partners will find them and will get married. Almost all Simha rashi eligible singles are getting married this year.

The best months to get married are January, February, April, September, October and December 2015. Out of these April and December are the best out of the best months to tie the knot. These two months are the time when marriage celebrations will be smooth and the enjoyment will be to the fullest for all guests arriving for the marriage.

Those who have been facing marital discord since last few years will find things getting smoother in their marriages. 2015 will be a year when calm will prevail in all intimate relationships for the Leo moon sign people.

FAMILY: Prospects related to family and relatives for 2015 for Leo or Simha moon sign born people:

Relations with parents will improve but the health of the parents will become a high concern this year. March, July and August 2015 will be more difficult regarding the parents' health.

Siblings will become more cooperative and relations with them will be back to normal in 2015. There may be some disputes related to family assets and property but they will be solved after some delays by the end of this year.

There will be more than usual meetings with the other relatives and members of the extended family too this year. This may be while attending some joyous occasions, ceremonies or funerals. There will be more than usual funerals too this year and the Simha rashi people will be on emotional roller coaster ride due to the family affairs this year.

TRAVEL: Travel prospects for 2015 for Leo or Simha moon sign born people:

While the first half of 2015 will bring journeys related to education and pleasure, the travels in the second half will be more for work, family affairs and religious pursuits.

Simha rashi people should be very careful about their food when travelling. Food related ailments can make their journeys unpleasant. They should ensure that they have sufficient funds when travelling. They should also keep the travel insurance updated before travelling.

REMEDIES: Jyotish remedies for 2015 for Leo or Simha moon sign born people:

Simha rashi people will benefit more by wearing Orange, Yellow and Red colours this year. They should avoid Grey, Black and Dark Blue colours.

It will give added benefits and reduce the tension and stress in family affairs if they are able to keep fasts on Saturdays. They should also donate Grey woolens and footwear to the needy on Saturdays in 2015.

In gemtherapy, the Simha rashi people should wear a Ruby for both health and professional benefits in 2015.
