

Leo - Simha - Moon Sign - 2018 - Jyotish Forecast.

The health of Leo Moon Sign people will improve in 2018 yet some precautions will still be necessary. Income will be high but expenses will also mount. There will be good progress despite challenges in job and business. Family life and marriage will be satisfactory. 2018 is a good year to get married. Love life will be spicy in 2018. There are some good yogas for buying property and vehicles this year.

HEALTH: Health prospects for 2018 for Leo or Simha moon sign born people:

Simha Rashi people will have generally good health in 2018 if they keep themselves physically active. The health problems which they had been facing since last three years will become almost non-existent in 2018. Still, some minor health disorders are possible in 2018, related to eyes, ears, skin, heart and hypertension.

Cardiac issues and blood related ailments are likely to trouble Leo Moon Sign people between May and November 2018. But, they will be curable and controllable problems and Simha Rashi people will be able to treat them well through changes in lifestyle and some usage of alternative medicines.

May to October 2018 is a period when Simha Rashi people can suffer from injuries and loss of blood through them. They may undergo surgical procedures too during this period.

JOB: Job prospects for 2018 for Leo or Simha moon sign born people:

2018 begins with some difficulties and challenges in the job scenario of Simha Rashi employees. Some of them may be forced to leave or change their jobs January or March 2018. But, as the year progresses the job situation becomes much more stable and satisfactory than what it was in the past three years. From April to December is a really favorable period for Leo Moon Sign employees.

During this period they will be promoted to better positions with higher salaries. The relations with seniors and bosses will improve. But, they may have to face tough challenges, mainly

regarding troubleshooting the human resource problems.

2018 is an exceptionally good year for those Leo Moon Sign employees who work in areas related to human resource, personal relations, advertising, and cyber security. Simha Rashi employees must not involve themselves in office politics in 2018. From May to October they could be unintentionally involved in some controversies at their workplaces. It is better to play safe and act diplomatically than to be branded a rebel and trouble maker.

BUSINESS: Business prospects for 2018 for Leo or Simha moon sign born people:

2018 is a high energy year for Leo Moon Sign entrepreneurs. They will be highly ambitious and very motivated to fulfill their ambitions regarding business. This will give fast growth in their businesses. But, they must be cautious not to increase their liabilities and costs of production in their zeal to grow the businesses. The risk of a big increase in debt is very high in 2018.

From the very beginning of 2018 the Simha Rashi businesspersons will be working on their new plans. January 2018 marks the beginning of new enterprises. But, there may be some delays and difficulties, mainly related to finance and legal issues, till April 2018. From then on, there will be unstoppable progress in the enterprises in 2018.

Leo Moon Sign entrepreneurs can form new partnerships or collaborations in January, April, May, September, and December 2018. All collaborations created in 2018 will work well for long time and will be highly profitable for both parties.

EDUCATION: Education prospects for 2018 for Leo or Simha moon sign born people:

Leo Moon Sign students studying engineering, medicine, surgery, robotics, political science, mass communications, and law will have everything going favorably for them in 2018. For other Simha Rashi students too 2018 is a beneficial year.

The best time for Leo Moon Sign students for taking important examinations is in March, April, June, July and September 2018. March and April 2018 are propitious for those Simha Rashi students who want to study in foreign universities.

January, August, November and December 2018 are months when there may be some unwanted problem for Leo Moon Sign students. These problems could be related to shortage of funds for education, legal troubles or health issues.

WEALTH: Wealth prospects for 2018 for Leo or Simha moon sign born people:

Leo Moon Sign people will be able to generate higher income in 2018 as compared to last three years. Their expenses will be uncontrollable this year as numerous reasons for expenditure and losses will come up. As a result, despite high income, Simha Rashi people will not be able to

save much in 2018.

As they will not be able to keep much cash liquidity, they are advised to invest in long term investment options as and when they have some money in hand, instead of waiting for options to spend the money. There are also high chances of a substantial increase in the burden of debt on Leo Moon Sign people this year. Most such financial liabilities could be related to repayment of real estate mortgages or vehicle loans.

REAL ESTATE: Property related prospects for 2018 for Leo or Simha moon sign born people:

There are not many good yogas in 2018 for Leo Moon Sign people for the purchase of residential real estate. January, February, March and November 2018 are favorable months for this purpose. But, no deal related to sale or purchase of residential real estate should be done from May to October 2018. Blocked payments and other issues can spoil the deals during this period.

For commercial property related deals April, May, July, September, October and November are highly favorable months. If Simha Rashi people search and bargain a little harder they can crack some highly lucrative commercial real estate deals within their budgets during these months. But, they must not get into any commercial real estate deals in January, February, March and June 2018.

VEHICLE: Prospects related to vehicles for 2018 for Leo or Simha moon sign born people:

Leo Moon Sign people should avoid buying personal vehicles between May and November 2018. This is also a period when they must be very careful when driving their vehicles. The best time to buy new personal vehicle for Simha Rashi people is in February, April and November 2018. They should avoid buying vehicles which are in Red, Green or White colours or in their other different shades.

For commercial vehicles, February, April, May, July and September 2018 are suitable months. No deals of commercial vehicles should be done in January, March, June and August 2018. Leo Moon Sign people can buy used vehicles too in 2018. But, they should make sure that all documentation and legalities have been done properly when they buy used vehicles, because for them the chances of getting into legal hassles related to vehicles are quite high in 2018.

LOVE: Love and Romance prospects for 2018 for Leo or Simha moon sign born people:

The love life for Leo Moon Sign people will be spicy and thrilling in 2018. Co-students will turn

into romantic partners this year. Rivalries, competitions and challenges will add to the thrill of the love affairs. From May onwards, Simha Rashi people may become highly inclined to stray from their existing love relationships. But, this could cause more pain than pleasure for them.

Simha Rashi singles who have never been in any affairs till 2018 will definitely get involve in new love relationships this year. This could happen in February, March or June 2018. Between May and October, Simha Rashi people may start romantic relationships driven not by love but by rivalries or competition. Such relationships lack soul and they will not last long. They could fizzle out in November and December 2018.

MARRIAGE: Marriage prospects for 2018 for Leo or Simha moon sign born people:

2018 is an exceptionally favorable year for Leo Moon Sign singles for getting married. Except January and August, all months are propitious for Simha Rashi people for ceremonies and functions related to marriage. But, the best months advisable for marriage, are February, March, April, May, July and September 2018.

Leo Moon Sign people will not get similarly favorable yogas for marriage for next five years. So, they should try to get hitched in 2018 only, and should not delay their plans for marriage any further, if they are planning to get married in a year or two.

For those Leo Moon Sign people who are facing discord in marriages, May to November can be an exceptionally difficult period for their marriages. The tempers will be on short fuse and patience will run low. This can create further misunderstandings and conflicts in the marriage. Some marriages could end in a divorce during this period.

FAMILY: Prospects related to family and relatives for 2018 for Leo or Simha moon sign born people:

The health of the parents will be a recurring concern for Leo Moon Sign people in 2018. The health risks for the father are the highest in January, February, March and June 2018. For the mother, 2018 could be a really difficult year regarding the health, mainly from May 2018 onwards. The health issues which were hitherto minor and manageable could flare up and become difficult to cure.

Relationships with the siblings will be good and at times very pleasant, in 2018. With other relatives too there will be cordial relations and bonhomie. The children and dependents of Leo Moon Sign people may show rebellious spirit in March and April 2018. But, as the year progresses they will become more understanding and helpful.

TRAVEL: Travel prospects for 2018 for Leo or Simha moon sign born people:

In 2018, Leo Moon Sign people should plan their journeys well in advance. This is not a year to

be carefree about the travels. Proper planning and advance preparations must be done especially when going on long distance travels. Money, health, and safety of belongings must be taken care of during the journeys. From May to November, Simha Rashi people could face legal problems and unwanted hassles by law authorities during their travels. So, they must be alert about their actions and behaviour during their journeys.

The best time to go on long distance travels, both domestic and international, is in February, April, May, October and December 2018. Leo Moon Sign people should avoid going on important journeys in January, June, August and November 2018.

REMEDIES: Jyotish remedies for 2018 for Leo or Simha moon sign born people:

Leo Moon Sign people are advised to avoid Gray and Red colours in 2018. Instead, they should use more of Yellow, Orange and Brown in their clothes and other belongings.

In gem therapy, the Simha Rashi people will benefit a lot by wearing Yellow Sapphires in 2018. This gem is for health, education and wealth related gains. For better health they can wear copper rings or bangles too.

Leo Moon Sign people are advised to offer water to rising Sun in the mornings.
