

Virgo - Kanya - Moon Sign - 2022 - Jyotish Forecast.

The health will improve gradually but it should still be the main priority. There will be success and gains in all jobs and businesses. The income will increase but the expenses will be high too. For Kanya Rashi people, 2022 is a good year for getting married, for buying real estate and for buying a new vehicle too. Family life will become peaceful and marriage related conflicts will reduce too. There will be several enjoyable travels in 2022.

HEALTH: Health prospects for 2022 for Virgo or Kanya moon sign born people:

Health problems related to liver, high cholesterol, high blood sugar and poor digestion can trouble Virgo Moon Sign people in the first four months of 2022. Then, from May 2022, they will have to be more cautious about health disorders of eyes, ears, mouth, teeth, hair, skin, urinary system and obesity. They will also be prone to suffer from allergies, food poisoning and bad side-effects of medicines and drugs.

Most of these health issues will be controlled easily by simple changes in the food and lifestyle. This year, Kanya Rashi people should stay away from alcohol and other intoxicants. They should also avoid any self-medications and should take all medicines on advice of a qualified doctor only.

In February, March, April and July 2022 the Virgo Moon Sign people will be quite prone to injuries and accidents. So, they should be more alert about their personal safety during these months.

JOB: Job prospects for 2022 for Virgo or Kanya moon sign born people:

There will be a lot of work and challenges too in their jobs in 2022 but Virgo Moon Sign employees will be able to go through all difficulties smoothly. They will perform exceptionally well in their jobs and all tasks at hand but the rewards and appreciation for their good work will start coming in only from May 2022. Better late than never. Kanya Rashi employees can expect promotions and salary raises in 2022, most likely in May, July, August and September.

Saturday, 01 January 2022 17:15

This year, those Virgo Moon Sign employees who are in industries related to travels, food, hospitality, education, training, medicine, health, spiritual retreats, yoga centres, film making and journalism will get have a big boost in their careers, as compared to the Kanya Rashi employees in other industries, though they too will do well in 2022. The relations of all Virgo Moon Sign employees with their bosses and colleagues will improve a lot from April 2022 and their employers too will gain in form of substantial increase in their profits this year.

BUSINESS: Business prospects for 2022 for Virgo or Kanya moon sign born people:

New business collaborations, deals and partnerships will happen after March 2022 and the Virgo Moon Sign businesspersons will be able to take their businesses to the next level of growth and success. The costs of business and losses too will reduce a lot after April 2022 and the net income and profits will increase substantially. Many Kanya Rashi entrepreneurs will start new businesses in totally new areas of work in May, June and July 2022.

But, before April 2022, a lot of difficulties will be there in form of legal hassles, delays in projects, financial losses, employee unrest, lack of capable workers and high levels of business debt. So, the Kanya Rashi entrepreneurs are advised not to take any big chances or risky bets in business in January, February and March 2022. They should be patient and should plan their business well, doing all the homework properly, but should initiate the new plans only after April 2022.

EDUCATION: Education prospects for 2022 for Virgo or Kanya moon sign born people:

2022 is going to be a favorable year for Virgo Moon Sign students of medicine, dentistry, pharmacology, ayurveda, biochemistry, microbiology, engineering, robotics, philosophy, psychology, religious studies, law and education. In the first four months of 2022 there can be some difficulties, delays and financial problems which can hinder the progress in academics, but from May 2022 the Kanya Rashi students will be able to study smoothly and they will be able to get admission in their desired institutions and educational courses.

In the first three months of 2022, Virgo Moon Sign students' hard work in their studies could be foiled by ill health. So, they should be more watchful about their health too if they want their studies to go on smoothly in January, February and March 2022. In the rest of the year, Kanya Rashi students should stay away from bad company and should be alert about what they eat and drink. Bad company and bad habits can create big roadblocks in their paths of academic pursuits.

WEALTH: Wealth prospects for 2022 for Virgo or Kanya moon sign born people:

In 2022, the overall income and the overall expenses of Virgo Moon Sign people will be high. Financially, it will be a highly satisfactory year for Kanya Rashi people as their monetary gains, assets and wealth will increase. But, as they will spending more money on health, travels, real

estate, investments, on business and on holidays too, their expenses too will remain high in 2022.

Kanya Rashi people should not invest money in any risky investment options in January, February and March 2022. Instead, they should postpone all plans for big investments till the second half of April 2022. In the first three months of 2022 the Virgo Moon Sign people will be tempted or forced to take more loans. But, they should try to avoid taking loans in these months and should keep their expenses and requirements under control to avoid getting trapped in another vicious cycle of debt.

REAL ESTATE: Property related prospects for 2022 for Virgo or Kanya moon sign born people:

Many Virgo Moon Sign people will be able to buy new homes and to shift to new homes, in 2022. They are more likely to buy residential properties in joint names with their spouses or partners. The houses and apartments which they will acquire in 2022 will be pricy, luxurious and in prime locations too. And, Kanya Rashi people will spend a lot of money on the interior work and decoration of their houses, in 2022.

The best time for Kanya Rashi people for buying new residential real estate and for shifting to new homes is in May, July, August and December 2022. But, Virgo Moon Sign people should not deal in any residential real estate in the first three months of 2022 as such deals could get stuck due to lack of funds, difficulties in getting mortgage or due to legal hassles. But, all such deals done from May 2022 onwards will be smooth, easy and without many hassles.

For investing in commercial real estate, Kanya Rashi should look out for good opportunities in May, June, July, September and October 2022. They will be able to buy good commercial properties and they will get good rental income or other business income too from such properties.

VEHICLE: Prospects related to vehicles for 2022 for Virgo or Kanya moon sign born people:

The best months in 2022 for Kanya Rashi people for buying a new vehicle for personal use are May, July, August and December. But, they should not sell or buy any vehicles in the first four months of 2022. Any such deals in January, February, March and April 2022 will not be smooth, will have unexpected problems and the Kanya Rashi people could end up losing money too through such deals.

For buying commercial vehicles the best months are May, June, July and September 2022. In 2022, from May onwards, Virgo Moon Sign people can buy and drive vehicles which are in Yellow, Silver, Light Blue, Green or White colours. They should avoid vehicles which are Black, Grey and Red in colours. Kanya Rashi people should drive more carefully in February, April and July 2022 as the chances of vehicular mishaps are quite high during these months.

LOVE: Love and Romance prospects for 2022 for Virgo or Kanya moon sign born people:

From May 2022, a lot of stability, meaningfulness and clarity of thought will come into the love life of Virgo Moon Sign people. They will stop wasting time, energy and money on useless pursuits of elusive love and will start valuing the relationships which are stable and meaningful. A change of heart and a change of attitude too will happen in the second half of April 2022 and this will make Kanya Rashi people much wiser and more devoted too.

But, before May 2022, the love life of Virgo Moon Sign people will be unstable, frustrating and meaningless. Their efforts and money will be wasted and no relationship will be a stable or fulfilling relationship. The main reason will be their lack of patience and lack of control over their own emotions and thoughts. They should be more relaxed and patient and they should wait for May 2022 to be in a fulfilling and satisfying love relationship.

MARRIAGE: Marriage prospects for 2022 for Virgo or Kanya moon sign born people:

In 2022, January, February, March and the first half of April are not at all favorable or auspicious for any ritual, ceremony or function related to marriage, for Virgo Moon Sign people. During these months, there are high chances of unexpected problems, doubts, confusions, conflicts and loss of money too, with regards to plans and arrangements for marriage related ceremonies and other activities.

This period is also not good for the marital stability of those Kanya Rashi people who are married. The problems and conflicts in their marriages can aggravate a lot and even very trivial of events can cause arguments and misunderstandings. The mental and physical health of the spouses of the Virgo Moon Sign people will also cause concerns during this period.

But, from mid-April 2022, things will change and much peace, understanding and happiness will return in the married life of Kanya Rashi people. That is also the time when the marriage related activities and plans of Virgo Moon Sign singles will go on as planned and a lot of clarity and predictability will be there about what to do and how much to spend on the marriage related ceremonies and functions.

In 2022, the best time for Kanya Rashi singles for getting married is in May, July, August and December. Almost all Virgo Moon Sign singles who have been planning to get married or who are eager to get married will get engaged or married in 2022.

FAMILY: Prospects related to family and relatives for 2022 for Virgo or Kanya moon sign born people:

The health and welfare of the children and dependents of Virgo Moon Sign people can cause some worries in May and June 2022. But, such worries will be for very short term and the problems behind them will be sorted out quite easily. Besides this, the children and dependents of Kanya Rashi people will do well in their respective fields of studies and work and they will be

well behaved and healthy too, in 2022.

The relations with the parents can be strained and the problems related to their health will persist till the end of April 2022. After that, the situation will improve a lot and some easy solutions to the problems related to parents health and welfare will be found out by Virgo Moon Sign people. The siblings of Kanya Rashi people will be much cooperative and helpful in 2022. But, the relations of Virgo Moon Sign people with the in-laws can be affected by some developments which will increase mutual distrust and doubts and a lot of complaints will arise from both sides. This is more likely to happen from April 2022.

TRAVEL: Travel prospects for 2022 for Virgo or Kanya moon sign born people:

The travels of Kanya Rashi people will be frequent, unplanned and somewhat not much beneficial for them in the first four months of 2022 too. But, from May 2022, they will be travelling less frequently but their journeys will be more planned and also more meaningful and fruitful. But, during their journeys in 2022 Virgo Moon Sign people must be very alert about their personal safety, the safety of their belongings and valuables, and also about the food and drinks they consume. It is advisable for them to avoid drinking alcohol and consuming any kinds of intoxicants during their travels and holidays in 2022.

In 2022, the Kanya Rashi people will travel for work and pleasure both. They will also travel to meet their partners in love or for getting engaged or getting married. The best months for Virgo Moon Sign people for important travels, in 2022, are January, February, May, July, August and December.

REMEDIES: Jyotish remedies for 2022 for Virgo or Kanya moon sign born people:

In 2022, Virgo Moon Sign people can wear gemstones of Venus, Saturn and Mercury. They can wear White Sapphire or Fire-Opals for Venus in January, February, May or July 2022. As gemstones for Saturn they can wear Blue Sapphire or big sized Amethysts in April, November or December 2022. For Mercury, the best gemstones for them are Emeralds which they can wear in February, May, July or October 2022.

Kanya Rashi people should not wear Grey and Black colours in 2022 too. They should avoid wearing and using Yellow too in their personal belongings till April 2022. The most favorable colours for them in 2022 are Light Blue, Green, Violet and White.

If possible and if their health allows it, Virgo Moon Sign people should keep fasts on Saturdays from April 2022 onwards. When fasting, they can eat one full meal during the day and can eat fruits and drink milk and fruit juices at other meal times.
