Yes, there can be some confusions and doubts in May and June 2022 but those problems will be over in July 2022.

### **MARRIAGE: Marriage prospects for 2022 for Sagittarius or Dhanu moon sign born people:**

2022 is favorable year for Sagittarius Moon Sign people who want to get married. For them the best chances of getting married in 2022 are January, February, May, June and December 2022. But, March, April, September, October and November 2022 are not at all good months for getting married and for organizing any marriage related functions. This year, the Dhanu Rashi people will opt for grand functions and lavish arrangements when organising the ceremonies related to marriage. But, in most cases, Sagittarius Moon Sign people will have the marriage ceremonies done nearer to their families and homes.

For those Dhanu Rashi people who are already married, 2022 will be a happy and peaceful year with regards to their marital relationship. The positive transit of Jupiter in the 3rd and 4th houses in their horoscopes will make the Sagittarius Moon Sign married people more relaxed, understanding, tolerant and wise. They will try to let go all qualms and complaints which they previously had and will be more eager to make their marriages work. Even in those cases where the marriages are on the brink of collapse, the relationship can be saved and revived in 2022.

### **FAMILY: Prospects related to family and relatives for 2022 for Sagittarius or Dhanu moon sign born people:**

In last two years, the family affairs of Sagittarius Moon Sign people were negatively affected by the transits of planets creating stress, strains and the worries in the relations with family members and other relatives. In 2022, all that will change for better and the family affairs will be much happier and satisfying for the Dhanu Rashi people. There will be a lot of mutual trust, respect and affection between the Dhanu Rashi people and their parents.

With their siblings too, the relations will improve and all past complaints will be forgotten. But, with their children and other dependents, the things will not be so peaceful in 2022. From April 2022, there will be recurring incidents which will cause concerns about the health, welfare and behaviour of the children and dependents. This will force Dhanu Rashi people to pay more attention to these problems and a lot of time, money and efforts will be spent on these issues.

### **TRAVEL: Travel prospects for 2022 for Sagittarius or Dhanu moon sign born people:**

In 2022, Sagittarius Moon Sign people will travel more frequently and for longer distances too in the first four months than in the rest of the year. They are more likely to travel for adventurous sports, pilgrimages, and holidays and for attending important events like sporting events or marriages. Travels related to work will be less frequent in 2022.

The best time for Dhanu Rashi people for going on important travels, in 2022, is in January, February, April, June and September. They should avoid travelling in March, October and November 2022 to save themselves from the discomforts and health problems which are very much possible during these months. In 2022, after April, most Sagittarius Moon Sign people will travel within their countries and they are very less likely to travel abroad during the last eight months of this year.
