

Libra - Tula - Moon Sign - 2024 - Jyotish Forecast.

There are several auspicious yogas for marriage in 2024. Love life and marriage will be meaningful, peaceful and happy. Job and business will progress as expected. New business partnerships will be formed. Health precautions must still be required in 2024. Tula Rashi students must avoid distractions to make best use of beneficial planetary transits. Financially, 2024 will be an unstable year. Expenses and debt must be kept under control. 2024 is good for buying new house and new vehicle too. There will be several travels for both work and pleasure.

HEALTH: Health prospects for 2024 for Libra or Tula moon sign born people:

For Tula Rashi people, some minor and manageable health issues will persist through 2024. But, some serious and long term health problems can come up after April 2024. The minor health problems could include ailments related to blood pressure, skin, hair, urinary system, eyes, ears and some short term allergies. The long term and serious health problems could be related to liver, pancreas, cholesterol and digestion.

In April, May, November and December 2024, blood pressure and heart related problems can cause short term distress. May and June can be a little more difficult for the health of the Tula Rashi people. They should stay away from fast food, alcohol and other bad habits too. Those Libra Moon Sign people who already have minor or major health issues related to diabetes, liver and cholesterol could experience an escalation in such health problems in 2024. In March, April and May 2024, the chances of injuries to lower limbs are quite high for Tula Rashi people.

JOB: Job prospects for 2024 for Libra or Tula moon sign born people:

After a gap of one year Libra Moon Sign employees will have another fruitful year which will mark a new progressive phase in their careers. 2024 is going to be really good for all Tula Rashi employees, but, it will be exceptionally beneficial for those Libra Moon Sign employees who are in careers related to Human Resources, Publicity, Advertising, Politics, Education, Spirituality, Medicine, Surgery, Biotechnology, Space Sciences, and, Environmental Studies. There will be new job offers with better salaries in the first four months of 2024. Even if the Tula Rashi employees do not change their jobs they will have salary increments in 2024.

The relationships of Libra Moon Sign employees with their superiors will improve a lot and the superiors too will be able to perform well in their own jobs. But, some unwanted office politics can cause stress and disturbances a few times this year. The most likelihood of this happening

is in April, May, November and December 2024. In these four months of 2024, the Tula Rashi employees must be very diplomatic and must avoid all arguments and confrontational discussions in their workplaces.

BUSINESS: Business prospects for 2024 for Libra or Tula moon sign born people:

The business partnerships and collaborations of the Tula Rashi entrepreneurs were sailing through stormy waters in last two years. In 2024, all that changes for better and the Libra Moon Sign businesspersons will be able to ink new business deals, new partnerships and new business collaborations too. The best time to do so is in February, March, June and September 2024. In September 2024, collaborations with foreign business entities are also possible. Business revenues will increase in 2024, but, the business costs too will slowly rise for Libra Moon Sign entrepreneurs, mainly after April 2024. Most of the new expenses will be for publicity, marketing and for improving the looks and decor of the business premises. The growth and progress of business will be as desired but some problems will trouble the Tula Rashi businesspersons this year. In March, April and May 2024, there can be labour unrest or other troubles related to employees. In November and December 2024, there are chances of problems related to taxation, accounting or government regulations.

EDUCATION: Education prospects for 2024 for Libra or Tula moon sign born people:

In 2024, although all Libra Moon Sign students will do well in their studies, the Tula Rashi students who are doing study courses related to biotechnology, zoology, environmental studies, robotics, information technology, sculpture, wood craft, architecture, civil engineering, metallurgy, and film-making, will do much better in their studies than the Libra Moon Sign students of other subjects. These Libra Moon Sign students will also have better opportunities and luck when trying to take admissions in their desired educational institutions and when appearing for important examinations too.

This year, the Tula Rashi students must take care of their health, and, must stay away from bad company and bad habits too, if they want to make the best use of the favourable planetary transits. Bad company, bad habits and immoral behaviour can land them in serious problems related to health, money and law too. This can harm their studies severely. Also, in 2024, Libra Moon Sign students could get involved in students politics. They should choose to be a part of such political activities wisely and should stay away if they feel that their studies are being harmed by such activities.

WEALTH: Wealth prospects for 2024 for Libra or Tula moon sign born people:

Libra Moon Sign people have been on unstable grounds financially since last two years. This will continue in 2024 too. They will earn much better in 2024 than the last two years, but, somehow, they will end up spending, rather wasting, most of it. Overconfidence about money and the earning capabilities can get the Tula Rashi people trapped in the quagmire of debt and legal problems. Tula Rashi people should tread very carefully with regards to the expenses, purchases and investments, in 2024.

Their first priority should be to avoid increasing the burden of debt. If the Libra Moon Sign people are not fully comfortable financially they should avoid spending any big amounts of money, except when it is not utmost necessary to do so. Their expenses and their recklessness about money both will increase from May 2024. In May, June, July and August 2024, the highest risk of going into severe debt exists for them. So, a lot of wisdom and pragmatism about money would be required by the Tula Rashi people, in 2024.

REAL ESTATE: Property related prospects for 2024 for Libra or Tula moon sign born people:

The first four months of 2024 are favourable for buying commercial real estate, for Tula Rashi people. And, June to December is a good time to acquire residential properties. In 2024, Libra Moon Sign people should try to buy properties only if they are financially comfortable in doing so, and, if they intend to use the properties for living or for commercial activities. Simply investing in real estate, expecting it to appreciate profitably in a few years, is not advisable for Tula Rashi people in 2024. The Libra Moon Sign people should also avoid taking any big loans for real estate purchases in 2024.

For shifting to new residences, August, October, November and December 2024 are auspicious months for Tula Rashi people. This year, the Libra Moon Sign people should avoid buying houses near the residences of their in-laws and maternal relatives. Also, they should keep their plans of buying real estate secret till they are ready to move into the new properties. When getting the interior work done in their properties, they must keep their budgetary limitations in mind; otherwise they could end up with unfinished interior work due to a lack of funds.

VEHICLE: Prospects related to vehicles for 2024 for Libra or Tula moon sign born people:

2024 is a favourable year for Tula Rashi people for buying a new personal vehicle. This year, the Libra Moon Sign people can buy new vehicles for personal use in January, February, March, August, September and December 2024. These months are good for buying commercial vehicles too. Tula Rashi people should avoid buying used vehicles in 2024. They should go for good quality, durable and the latest models because they will not get similarly positive yogas for buying vehicles in 2025, 2026 and 2027. So, it is better to buy vehicles which can fit their needs properly for next few years.

But, instead of going out of their comfortable budgets for their dream vehicles, the Libra Moon Sign people should be more pragmatic and must stay within their budgetary limitations. The favourable colours for vehicles, for Tula Rashi people, are White, Blue (all shades), Grey, Black, Violet, Purple and Green. They should avoid buying or driving Red and Yellow vehicles in 2024. Libra Moon Sign people must be more alert about the conditions of their vehicles, and, they must drive carefully too, in March, April, May, July and August 2024.

LOVE: Love and Romance prospects for 2024 for Libra or Tula moon sign born people:

Love life will be stable, meaningful and happy in 2024, for the Tula Rashi people. They will seek devotion and will be eager to be in relationships which can be converted into long term commitment or marriage. Those Libra Moon Sign people who are not in any romantic relationships could meet interesting people in January, February, March and April 2024. In March and April, such interesting people could be much younger or older in age, but such romantic relationships will be long lasting and emotionally more fulfilling too.

In May 2024, some misunderstandings, doubts and rivalries could creep into the love relationships of Tula Rashi people. But, a little more patience and understanding will remove all such obstacles quite effortlessly. This year, Libra Moon Sign people could wrongly assume that money can be a useful tool to impress the beloved. Sadly, that will be proven wrong, and, it is advisable for the Tula Rashi people to focus more on behaviour, sincerity and devotion, if they want to truly impress their romantic partners.
