Suryanarayana asks: My birth details are - DOB: 16th March 1965, POB: Chennai, Tamilnadu, India, and, TOB: 04:44 PM IST. Kindly advise me if I can wear a Padparadscha stone for a Good future. Thank You very much.

Astrologer Ashutosh: Namaskar, Suryanarayana Ji! You were born under Simha (Leo) ascendant and Simha (Leo) moon-sign (Rashi). This means that the Moon is placed in the lagna, the first house, itself. Moon is with Mars creating a mahalaxmi yoga. These two planets are in a samsaptak yoga with Saturn and Venus which are placed in the 7th house. Jupiter too is placed well in the 9th house.

Padparadscha stone is also called Padmaraag or Padmaraga in Sanskrit. It is the Pink or Orangish Pink variant of sapphire. As the Sun is not placed well. It is in the 8th house you should not wear the Orange shade of Padmaraga. But, you can wear the Pink shade of this sapphire because both Mars and Jupiter are well placed in your horoscope and they are beneficial planets too for you.

Please ensure that you buy an authentic and untreated Padparadscha. Wear a not so shiny but untreated one for best results instead of buying a shiny, alluring but doubtful gem. Also, do ensure that when you wear this gemstone both Jupiter and Mars are powerful and positive for you in their transits.
