

Aries - Mesh: Moon Sign - Jyotish Forecast for 2012

For the people born under the Moon Sign Aries or Mesh the professional difficulties and uncertainty of past two years will be absent in 2012. This year is going to be beneficial in most respects for Aries. Increased confidence, stability in career, better health and improved financial situation will be there in 2012.

HEALTH: Health prospects for 2012 for Aries or Mesh moon sign born people:

Saturn has already moved out of the sixth house of diseases and Jupiter will be in beneficial transits in 1st and 2nd houses in 2012. So, improvement in health will surely be there in 2012. But, Rahu will continue to transit in the eighth house. Therefore, precautions must be taken and a balanced lifestyle should be followed in 2012. Heart troubles, obesity, and diabetes can harm the health along with increased chances of suffering from urinary troubles, food poisoning or side-effects from medicines and drugs.

In 2012, Aries rashi people should be a little more careful about their health from June last week to mid-August and then from beginning of October to first week of November.

Intake of sugar and fat should be reduced and exercise should be increased. All kinds of self-medications and over consumption of alcohol and drugs must be avoided in 2012.

JOB: Job prospects for 2012 for Aries or Mesh moon sign born people:

Job problems of 2010 and 2011 will be replaced by better job prospects and improved performance at work for the Aries or Mesh moon sign born people. Promotion to a higher post and better relations with superiors and colleagues at work will mark the positive developments in job area. The office politics and back-stabbing which were troubling them in 2010 and 2011 will also be reduced to great extent. Things will be more in control.

The first half of 2012 will be very good for Mesh Rashi people. All setbacks of previous two

years will be compensated. In 2012, the months of March, April, August and September will be exceptionally good for career growth for Aries moon sign people.

BUSINESS: Business prospects for 2012 for Aries or Mesh moon sign born people:

2012 will bring ample opportunities, business gains and offers for new partnerships and collaborations in business. In first half of 2012 itself formation of new collaborations with highly capable and successful business parties will take place.

The burden of loan in business will decrease with an increase in income and profits. Cost cutting and revamping of business setup will further make things profitable. The legal hassles and the problems related to taxation and accounts which have come up in last two years will also be solved. Overall a very good year for Aries moon sign businesspersons.

EDUCATION: Education prospects for 2012 for Aries or Mesh moon sign born people:

For Mesh Rashi born students 2012 will bring good opportunities for higher studies and chances of success in competitive examinations will remain high. This year 2012 will especially be favourable for those students who are seeking entrance into medical, engineering colleges or other institutes offering higher technical education. This good luck will be there for studies both in and out of one's present country of stay.

WEALTH: Wealth prospects for 2012 for Aries or Mesh moon sign born people:

Expenses will go down in 2012 and there will be a substantial increase in savings. Past investments will give high returns and new investments will also be done wisely. Acquisition of fixed assets and investment in bullion and stocks will increase the financial status and wealth of Aries moon sign born people. Overall it is going to be a very satisfactory year for them in terms of accumulation of wealth.
