

Libra - Tula - Moon Sign - Jyotish Forecast for 2014.

For the people born under the Moon Sign Libra or Tula 2014 will mark a new beginning in profession. There will be many long distance travels and good monetary gains. But, they will have to watch out for legal issues, family troubles and health problems in 2014.

HEALTH: Health prospects for 2014 for Libra or Tula moon sign born people:

Maladies related to blood pressure, heart troubles, spinal chord, head and brain will be troublesome in the first seven months of 2014. The health risk from such ailments is very high in March, April and June 2014.

From August onwards these health issues will be less intense but some other problems like liver troubles and increased blood sugar can arise. In short, health should be seriously taken care of in 2014.

JOB: Job prospects for 2014 for Libra or Tula moon sign born people:

There will not be much positive change on professional front in the first six months of 2014. Instead, there can be some conflicts at workplace with co-workers. Try to keep calm and try not to involve yourself in any controversies or arguments.

July onwards the situation improves a lot on job front. There will be new job offers in August and September 2014. These months are also good for joining a new job where the work profile will be much better than that in the existing job.

In the new job the salary will not increase much but the overall benefits will increase ensuring that your take home salary is higher in the new job than in the previous one.

BUSINESS: Business prospects for 2014 for Libra or Tula moon sign born people:

In 2014, the first half may bring about a great increase in losses due to manpower problems and mismanagement of funds. At the same time there will be huge unwanted expenses on electronic equipments.

These six months can give rise to legal hassles related to business which again may incur huge expenses on legal proceedings. It is advisable to keep an eye open for troubles and to keep the accounts in check in the first half of 2014.

The second half is totally different in terms of business gains than the first half. There will be a new business venture or a new setup in the existing business. Collaborations with other business parties is possible in July and August 2014.

The last six months of 2014 will bring good progress in enterprise. Profits will be satisfactory and the control over costs, labour and investments will also be good. There are also high chances of Tula rashi businessmen taking loans for business or getting investments from financial institutions or funding companies in the last four months of 2014.

EDUCATION: Education prospects for 2014 for Libra or Tula moon sign born people:

The uncertainties regarding education which had arisen in 2013 will still confuse the mind in the first seven months of 2014 too. But, the second half will bring good gains in the area of education. The best planetary support for educational achievements is in August, September and December 2014.

This is a year when those who want to join professional courses related to law, education, administration, philosophy and religion can try their luck. For them the yogas are in highly favorable position in 2014, especially after June.

WEALTH: Wealth prospects for 2014 for Libra or Tula moon sign born people:

2014 first seven months can bring about increased expenses and decrease in savings. The expenses will be on health, litigation, useless travels and unnecessary household appliances. Avoid meaningless expenditure till July to have good peace of mind.

August to December is a good time for increasing savings. It is a financially stable period and also a good time to invest in long term savings, stocks and bonds. Out of this period the best time to invest is in August, September and November 2014.

REAL ESTATE: Property related prospects for 2014 for Libra or Tula moon sign born people:

Those Tula rashi people who are eager to sell or buy real estate should not be in a hurry in 2014. The yuti of Rahu with Saturn till July 2014 will make the real estate deals very bothersome. Lot of time and money may be wasted in fruitless negotiations.

They are advised to not take up deal which take short time to finalize. Any deal which seems to linger due to small reasons should be discarded. Before July 2014 the only real estate deals which will be successful will be the ones which come up unexpectedly and which requires immediate action.

The second half of 2014 is extremely favorable for buying real estate, both commercial and residential. The benevolent influence of an exalted Jupiter makes it easier to buy a property which is to the heart's liking and is within the budget too.

The best time to deal in real estate in 2014 is July, August and December. August and September are also favorable for shifting to new residences.

VEHICLE: Prospects related to vehicles for 2014 for Libra or Tula moon sign born people:

All attempts to sell of an old vehicle and to buy a new one will fail in the first five months of 2014. So, it is no use trying to waste time in such futile attempts. Better to wait till June for the same.

The best time to buy a new vehicle is in August 2014. Go for a vehicle having Blue, Black or Green colour.

LOVE: Love and Romance prospects for 2014 for Libra or Tula moon sign born people:

In the first half of 2014, Tula rashi people may start trying unconventional ways of finding love. This may cause big problems for them later on as their desires to spend money to buy love can result in heartbreak and loss of mutual trust.

But, from August onwards their ideas about love will change and much honesty, simplicity and devotion will be there in their love affairs. 2014 is an year of downs and ups, heartbreaks and new found love.

New love in life may arrive in May, June and August 2014.

MARRIAGE: Marriage prospects for 2014 for Libra or Tula moon sign born people:

In the first seven months of 2014, it is strictly advised not to take any decisions about marriage. The volatility in married life will be high and separation from spouse is possible. Play very safe and be devoted to your spouse however tempting the situation may arise to stray out of marriage.

The months from August to December are much peaceful and those who are unmarried can plan their marriage in August, September or December 2014. Out of these three months December is the best month to get engaged or married.

FAMILY: Prospects related to family and relatives for 2014 for Libra or Tula moon sign born people:

Parents' health will be good in 2014 except a little medical attention required by the mother in March 2014. The relations with them will also improve month by month in 2014.

But, do not involve yourself in any major family decisions before July 2014. If you do, you will end up facing the allegations for doing injustice to some members of the family. Your married life or love life may become spoiled as a result. Also, do not give any monetary loans to any relative till third week of July 2014.

Siblings will be supportive this year. It is possible that you will try to work with one of them in a new business setup. Children will do good this year but the first half of 2014 still requires extra care about their health and education. The worries about them will reduce after July 2014.

TRAVEL: Travel prospects for 2014 for Libra or Tula moon sign born people:

There will be frequent travels in the first half of 2014 including many foreign journeys too. But, such journeys may incur huge expenses if they are not planned well. Also, ensure that the travel insurance is updated and proper health and safety precautions are taken when you are traveling.

Best time to travel is in January, February, June and September. Avoid traveling in October and November 2014.

REMEDIES: Jyotish remedies for 2014 for Libra or Tula moon sign born people:

Avoid wearing Grey and Yellow colours in 2014. Wear more of Blue and Green.

Wear a good quality Blue Sapphire in August or September 2014.

Keep fasts on Tuesdays till August 2014 for reasons of health, finance and personal life.
