

Sagittarius - Dhanu - Moon Sign - 2014 - Jyotish Forecast.□

In 2014, Dhanu rashi people will gain well professionally; will earn much more than the previous two years and will find true love. Its a favorable year for getting married and for starting new business partnerships too. By the time this year ends the life of the Dhanu rashi people would have become very stable and satisfactory.

HEALTH: Health prospects for 2014 for Sagittarius or Dhanu moon sign born people:

The first half of 2014 will bring generally good health for Dhanu rashi people except a little digestive problems in January and slight hormonal imbalances in March. But, they should be extra careful about their health in the second half of this year.

Long term and persistent problems of liver and pancreas can develop around July or August 2014. At the same time ailments related to heart can also become problematic. Proper medical checkup, treatment and balanced food habit is suggested for Dhanu rashi people.

JOB: Job prospects for 2014 for Sagittarius or Dhanu moon sign born people:

There will be salary increments and promotion for Dhanu rashi employees in 2014. February, April, May and September are favorable time for receiving benefits related to job.

Dhanu rashi employees will receive good recognitions for their hard work this year. They may also go on foreign travels sponsored by their employers. High chances of going on such journeys is in March and September 2014.

BUSINESS: Business prospects for 2014 for Sagittarius or Dhanu moon sign born people:

Despite good earnings the desire for more funds will keep the Dhanu rashi entrepreneurs on their toes till July 2014. The business costs will go down in the first half of 2014 but will again shoot up from August onwards. They should try to keep their accounts in order in 2014.

Businesspersons who are in industries related to construction, metal, leather or wood will

benefit the most in 2014. The greatest benefits from such ventures will be received between August and November 2014.

April, May and June are good for forming business partnerships. These months are also good for creating business understandings with interested parties.

EDUCATION: Education prospects for 2014 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi students are advised to try their best for joining study courses till June 2014. The first six months are extremely favorable for fulfilling the education related ambitions.

But, from July onwards the planetary support for education decreases and the efforts may not yield desired results causing delays in results or failures despite hard work.

WEALTH: Wealth prospects for 2014 for Sagittarius or Dhanu moon sign born people:

In 2014, Dhanu rashi people will try hard to create lucrative assets and to increase wealth. They will be very successful in the first half of the year and if they invest their money wisely they will be able to reap the benefits for years to come.

But, as July sets in this good luck slowly diminishes and the chances of losses increase. So, they should try to make most of the investments before July 2014.

The second half of 2014 is also not good for investing in bullion, especially not in gold.

REAL ESTATE: Property related prospects for 2014 for Sagittarius or Dhanu moon sign born people:

Only the first half of 2014 is good for buying residential real estate. The best time for buying property is in April and May 2014.

The second half is not favorable for such purposes. But, commercial real estate can be bought in the second half, mainly in months of September and December 2014.

This time may not be good for buying residential property but it is certainly good for selling residential real estate. So, the focus in the first half should be on buying houses and in the second half it should be on selling.

VEHICLE: Prospects related to vehicles for 2012 for Sagittarius or Dhanu moon sign born people:

The second half of 2014 is not at all suitable for buying a vehicle. Instead such a purchase should be done before July 2014. The best time is in April and May 2014.

Yellow, Orange and Red are favorable colours for buying vehicles this year. Avoid Grey, Black

and Green.

LOVE: Love and Romance prospects for 2014 for Sagittarius or Dhanu moon sign born people:

Pure and honest love will dominate the affairs in the first six months. The love affair can be very strong and the Dhanu rashi people may surrender themselves fully before their beloved. Lots of passion, promises and devotion will make the love affair a heartwarming one. January, February and April 2014 may bring new and passionate love in life.

The second half of 2014 will see the purity of love diminishing and also the level of devotion going down too. The Dhanu rashi people are in danger of being enticed by thrills of secret love affairs in August 2014.

MARRIAGE: Marriage prospects for 2014 for Sagittarius or Dhanu moon sign born people:

2014 is a very auspicious year for getting married, especially January, April and May 2014. Such beneficial transit of Jupiter will not be available again for next four years. The Dhanu rashi people who are planning to get married should not delay it beyond June 2014.

FAMILY: Prospects related to family and relatives for 2014 for Sagittarius or Dhanu moon sign born people:

Parents will be well regarding their health except for some persistent blood sugar related problems for the mother in the second half of 2014. The relations with the parents will be sweet and good this year.

The worries related to siblings and their professional problems will go away after July 2014. They will be very supportive this year and their timely help will bring progress in your work too. Their help will result in some unexpected monetary gains too.

Children will be healthy in 2014 and they will do well in their areas of work and education too. There are chances of an addition to the family by virtue of a birth of a child in the last four months of 2014.

TRAVEL: Travel prospects for 2014 for Sagittarius or Dhanu moon sign born people:

There will be a few short term journeys in 2014 first half. But, there will be long term travels to distant lands in the second half. The most chances of going on such travels is in September and December 2014.

Avoid going on journeys in October 2014. In the second half, always ensure the safety of your belongings when traveling.
