

Pisces - Meen - Moon Sign - 2015 - Jyotish Forecast.

For the Meen rashi people 2015 can be clearly divided in two contrasting halves. While the first half will be beneficial in terms of career, money, health and general success in life, the second half will be stressful and harmful in terms of health, finances, personal life and profession. In 2015, Pisces moon sign people will have to adjust to the sudden changes in life to avoid getting into long term troubles.

HEALTH: Health prospects for 2015 for Pisces or Meen moon sign born people:

The excesses of lifestyle and over confidence in the first six months of 2015 can cause health problems in the second half of this year. The uncontrolled food habits and lethargic lifestyle can increase body weight considerably causing obesity. Meen rashi people should devote more time to exercises and should develop a healthy lifestyle this year.

The possible health problems which can plague the Pisces moon sign people in 2015 are high blood sugar, liver ailments, gall bladder problems, disorders related to reproductive organs and urinary system. The months in 2015 when the health issues are more likely to escalate are July, August and November.

JOB: Job prospects for 2015 for Pisces or Meen moon sign born people:

Jobs will go on as usual with salary increments happening in March or April 2015 for Meen rashi employees. A few Pisces moon sign employee may go for the job change the process of which was initiated in the last two months of 2014. The lack of aptitude and poor performance of the immediate bosses can put pressure to perform on the Meen rashi employees this year.

From July onwards, life gets tough for Pisces moon sign employees as various unexpected problems will crop up in their jobs. The relations with the seniors and colleagues will no longer

be good and office politics and backbiting will increase in their workplaces. Some Meen rashi employees may get embroiled in legal troubles too due to misappropriation of company funds or other financial misdeeds.

Only those Meen rashi employees who are in jobs related to insurance, banking, mortgage, medicine, human resource, advertising, marketing and accounting will be spared the wrath of the harmful planetary positions in the second half of 2015, but not completely.

BUSINESS: Business prospects for 2015 for Pisces or Meen moon sign born people:

Meen rashi entrepreneurs will keep on earning good profits in the first seven months of 2015 too and they will be able to control their expenses too during these months. But, from August onwards the losses and costs will start rising and the earnings will go down causing a dip in the profits.

The setbacks in business in the latter half of 2015 may also be due to increased burden of business debt and disagreements and conflicts with business partners. The Meen rashi businesspersons will be motivated to create newer collaborations and to ignore the existing ones creating mistrust with the existing partners.

Pisces moon sign entrepreneurs are advised not to form new business partnerships this year and even if they do so they should ensure that the partnership is done only with one person or business entity at a time. Involvement of more partners will be detrimental to the productivity of the business. Best time to form business partnerships is in May, June, September and October 2015.

Pisces moon sign entrepreneurs working in industries related to foreign trade, advertising, mortgage, job placement, insurance, medicine and healing will have better business opportunities and success in 2015 than the other Meen rashi businesspersons.

EDUCATION: Education prospects for 2015 for Pisces or Meen moon sign born people:

For Meen rashi students the months from January to June in 2015 are highly favorable regarding the progress in their education. They should give their best in studies in these months also try to appear for important examinations in these months, if possible.

But, things will get tougher for Pisces moon sign students from July 2015 onwards as health problems, lack of interest in studies and extravagant lifestyle will start hindering the studies. At the same time they will start taking more interest in fellow students of opposite sex, in the matters of love and in spending more time with not so good students.

More dedication towards studies and proper care of health and matters of money and heart will be required in the second half of 2015 by the Meen rashi students.

WEALTH: Wealth prospects for 2015 for Pisces or Meen moon sign born people:

Meen rashi people must save more in the first six months of 2015 to avoid financial stress in the second half of this year. Good monetary gains and success in enterprise may make the Pisces moon sign people too confident about their good fortunes forcing them to avoid saving for the future in the first half of 2015.

July onwards, unnecessary expenses will rise, burden of debt will increase and income will drop. At such a time the past savings will only come to the rescue of the Pisces moon sign people. They should avoid blocking their money in wrong investments in 2015.

As the burden of debt will increase this year they should avoid taking new loans as far as possible. Keeping the expenditures in check will lower the need to take more loans.

REAL ESTATE: Property related prospects for 2015 for Pisces or Meen moon sign born people:

2015 is not a good year for Meen rashi people for buying real estate, both residential and commercial. But, if they have spare money lying around which they want to invest in property for long term then they should do that before May 2015.

Pisces moon sign people should avoid taking huge loans on real estate in 2015. The burden of loans should be kept as light as possible.

VEHICLE: Prospects related to vehicles for 2015 for Pisces or Meen moon sign born people:

The best time to buy a personal vehicle is in March and April 2015. For buying a commercial vehicle June and December 2015 are better than the other months of this year. Meen rashi people should purchase a new vehicle if it is utmost necessary and not out of a desire to improve social status.

Vehicular mishaps, damages or incidents or theft are possible in January, February, March and August 2015. Meen rashi people should take precautions accordingly.

LOVE: Love and Romance prospects for 2015 for Pisces or Meen moon sign born people:

Love life will be spicy and very confusing this year for Pisces moon sign people. They will be interested in more than one person at the same time and the confusions related to them will persist from January to December in 2015.

On one hand Meen rashi people will try to show more dedication and love in their relationships

and on the other hand they will be looking out for more thrills out of their existing relationships. It will be better for them to stop looking for greener pastures and to be happy with what happiness the destiny presented them with.

New love in life could arrive for Meen rashi singles in March, April and June 2015. They should not fall prey to impractical expectations in love and should stay more devoted in their intimate relationships.

MARRIAGE: Marriage prospects for 2015 for Pisces or Meen moon sign born people:

The unmarried Meen rashi people have the full planetary blessings for marriage in the first five months of 2015. They should not postpone their plan for marriages any further and should try to get married within these five months as they will not get similar planetary blessings for another two years.

For those Pisces moon sign married persons who are going through troubles in their marriages the comparative calm and peace of the first half of 2015 may turn into a full scale war from July 2015. The legal processes to end the marriages could be initiated before November 2015. November 2015 will be a very bad month for the marital happiness of the Meen rashi people.

FAMILY: Prospects related to family and relatives for 2015 for Pisces or Meen moon sign born people:

Initially the parents will be healthy and well but as the year progresses their health will become a major concern for the Meen rashi people. Father's health will be more negatively affected than the mother's health in 2015. The relations with the father may also turn mistrustful.

Relations with siblings will be good this year. The siblings of the spouse may enter into a new business with the Meen rashi people. Other relatives will have cordial relations with Pisces moon sign people in 2015.

Children will do well in the first half of 2015 with one child doing exceptional achievements in April or May this year.

TRAVEL: Travel prospects for 2015 for Pisces or Meen moon sign born people:

There will be many travels in 2015 with the most number of journeys happening between January and May. These travels will be for business, holidaying and family affairs. Meen rashi people may change their travel plans at the last moments this year motivated by the matters of the heart only to repent later.

Pisces moon sign people should take proper precautions about the health while travelling in the last six months of 2015. They should carry their medicines with them and should also ensure

that they have proper travel and health insurances done before travelling.

REMEDIES: Jyotish remedies for 2015 for Pisces or Meen moon sign born people:

For best gains in 2015 Meen rashi people should wear good quality Yellow Sapphires in gold rings or lockets.

They should also try to plant trees which produce yellow fruits like Mango and Papaya.

In 2015, Meen rashi people should avoid wearing Grey and Green colours and should wear more of Red and White colours.
