

Aries - Mesh: Moon Sign - Jyotish Forecast for 2016

For the people born under the Moon Sign Aries or Mesh the year 2016 will be a tough year. There will be difficulties related to health, job, business, finances, family and legal hassles. 2016 is a year in which the Mesh rashi people should stay very cautious and must play safe in all areas of life.

HEALTH: Health prospects for 2016 for Aries or Mesh moon sign born people:

In 2016, the Mesh rashi born must stay very alert about health. Ailments related to liver, pancreas, joints and nervous system can bother them. They will also stay highly prone to suffer from injuries, both bleeding and non-bleeding kinds, in 2016.

The most critical period regarding health in 2016 is from February to September for all Aries moon sign people. For female Mesh rashi born 2016 will bring problems related to childbirth or ailments related to reproductive organs.

JOB: Job prospects for 2016 for Aries or Mesh moon sign born people:

Like 2015 the job scenario will remain shaky and sudden changes in job or work profile may happen in 2016 too. Other factors which will influence job success for Aries moon sign people in 2016 will be the need to improve educational qualification, lack of performance from their immediate superiors at work or a change in priorities with the welfare of children given more importance than progress in job.

Mesh rashi employees must stay more patient than usual in 2016 and should not try to take up tasks which are unusually challenging or difficult. They should also not try too hard to switch jobs as the job situation will not improve much even after the change.

BUSINESS: Business prospects for 2016 for Aries or Mesh moon sign born people:

The Mesh rashi entrepreneurs will face difficulties regarding hiring and staffing in 2016. Labour unrest, lack of skilled labour and a laid back attitude by the workers will trouble them throughout 2016.

Like in 2015, in 2016 too Mesh rashi entrepreneurs are advised to stay very alert about the security and safety of their work premises, goods and employees. The necessary security regulations must be followed and all kinds insurances must be up to date or renewed.

From February to September 2016 there are high chances of losses related to business assets and property due to mishaps, thefts or labour unrest.

EDUCATION: Education prospects for 2016 for Aries or Mesh moon sign born people:

2016 is a difficult and troublesome year for Mesh rashi students. There will be frequent and surprising obstacles of equally surprising nature in their studies. There will either be delays in completing the ongoing study courses or a sudden and total change in the course of studies in 2016.

For Aries moon sign students the paths gets tougher from August 2016 onwards. They must stay steadfast on their present paths of education and must be patient and firm enough not to be discouraged from their paths by unwanted diversions. They must also try to take up only one study course at a time and not to be tempted to do more courses at the same time however easy they may look like.

WEALTH: Wealth prospects for 2016 for Aries or Mesh moon sign born people:

In 2016, Mesh rashi people are very likely to suffer heavy losses of money and wealth. This possibility increases further in the second half of 2016. The expenses will rise and income will go down drastically. The Aries moon sign people must not invest hastily in any investment options in 2016.

There are high chances of gaining money through unexpected sources, inheritance and windfalls from March to September 2016. But, there are equally high chances of sudden losses too during this period. A lot of caution and wisdom will be required to stay financially safe in 2016.

REAL ESTATE: Property related prospects for 2016 for Aries or Mesh moon sign born people:

In 2016 too, Mesh rashi people should not sell or invest in commercial real estate. All such deals in shops, showrooms, offices, factories, warehouses and other commercially viable

properties will either result in blocking of money or in other legal hassles causing delays in using the property profitably. Even when renting out commercial property Aries moon sign people must ensure that all paperwork and legal formalities are properly done and that the tenant is capable enough to pay the rent in time.

For residential real estate the first half of 2016 is not as favorable as the second half. Aries moon sign people should buy houses, condos or other residential real estate in months of July, August, October or November 2016 for best results and smooth proceedings in the deals. These months are also favorable for profitably selling residential real estate.

VEHICLE: Prospects related to vehicles for 2016 for Aries or Mesh moon sign born people:

2016 is not much favorable for buying a new vehicle for Mesh rashi people. But, if they have a strong requirement for a new vehicle they should buy one in January, October or November 2016. The colour of the vehicle must not be Red or Black in 2016. The Aries Moon sign people can safely buy White, Orange or Silver coloured vehicles.

March to September 2016 is not a good time for buying a new vehicle either for personal or commercial use for Aries Moon sign people. This is also a period which makes the Mesh rashi people very prone to accidents and mishaps involving vehicles. So, they must stay very cautious and desist from driving rashly or unsafely during this period.

The sub-period with highest risk for vehicular mishaps for Aries Moon sign people during this period is in the months of August and September 2016.

LOVE: Love and Romance prospects for 2016 for Aries or Mesh moon sign born people:

With Rahu's movement from 6th house to 5th house on 30th January 2016 the love life gets a little anxious for Mesh rashi people. Their ethics and morals will become a hindrance in enjoyment of the romantic opportunities which 2016 presents before them. This will happen from February to October 2016.

A past love affair may start enticing and also troubling the Aries Moon sign people in 2016. They are advised to not to fall in the lure as nothing but dissatisfaction and stress will result from such fall into temptations. They should stay devoted to their new love interest only. For those Mesh rashi people who have had breakups recently will find new love in October 2016.

November is going to be a tricky month for Aries Moon sign people as there are high chances of secret affairs this month. This could be with an ex-lover or a new romantic partner.

MARRIAGE: Marriage prospects for 2016 for Aries or Mesh moon sign born people:

With the transit of Rahu in 5th house and Saturn in 8th house 2016 is not a favorable year for getting married for Mesh rashi people. Still, if they cannot delay getting married any further then the best months are February, June, July, October and December 2016.

For the married Aries Moon sign people there are high chances of marital discord from April to September 2016. Stay patient and calm. The health of spouse will require more concern and care in April, September and October 2016.

Extra marital affairs with previous romantic partners are possible in 2016 for Aries Moon sign people. It will be almost impossible to hide such flings and they can severely harm the trust in the existing marriage.

FAMILY: Prospects related to family and relatives for 2016 for Aries or Mesh moon sign born people:

The relations with siblings will be better than previous years in 2016. But, the older siblings may require some extra help involving both time and money of the Mesh rashi people in 2016.

The health of the parents will demand more attention this year. The mother's health will be only a little worrisome but father's health can be seriously bad in 2016. The most critical months regarding the health of the parents are March, April, September, October and December 2016, for Aries Moon sign people.

In 2016 the worries about the welfare of the children will increase manifolds. The main concerns will be regarding their health, behaviour and their education. For Mesh rashi people 2016 can spoil the relations with their children and dependents. Great calm and understanding will be required to handle the problems which will arise regarding the children and other dependents in 2016.

TRAVEL: Travel prospects for 2016 for Aries or Mesh moon sign born people:

The Mesh rashi people must avoid travels as much as possible in 2016 and should travel only if it is really important to do so. There will be a lot of hassles and stress when journeying. The discomforts in travels will exist more in the first half of 2016 than in the second half.

February to September is a highly risk prone period regarding travels for Aries Moon sign people. The health and the safety of self and belongings will stay at high risk during this period. Perform remedies for Mars and Saturn before going on Journeys during this period to reduce the risks.

The best time to travel for Mesh rashi people, if they really have to travel, is in October, November and December 2016. But, these months could involve more than usual and unnecessary expenses on the journeys.

REMEDIES: Jyotish remedies for 2016 for Aries or Mesh moon sign born people:

Mesh rashi people must avoid wearing Black in 2016. They should also avoid wearing Red from February to September. Instead, they should wear more of Orange, White, Brown and Light Blue shades of colours. They can wear Yellow from January to July but should avoid it from August to December 2016. These colour related advises should be followed in case of other day to day belongings and vehicles too.

Aries Moon sign people are advised to keep fasts on Saturdays if their health allows them to do so. They should wear a Moonstone on the little finger for Moon and a Ruby on the ring finger for Sun.
