

Leo - Simha - Moon Sign - 2016 - Jyotish Forecast.□

For Simha rashi people 2016 is a challenging but fruitful year in terms of finances, family matters, real estate gains and work. The health will require increased care regarding both mental and physical health. Education and children related worries will increase in the first half of 2016.

HEALTH: Health prospects for 2016 for Leo or Simha moon sign born people:

The weight gained in the second half of 2015 will start troubling in 2016 as obesity and other health issues become a concern for Leo moon sign. This year will be mostly a high energy year with occasional serious dips of energies. If the Simha rashi are able to use this energy well through exercises they will be able to prevent the health issues which can threaten them in 2016 by these energy fluctuations.

The health issues will be mainly related to heart, blood pressure, genitals and digestive system. Liver and Sugar problems may trouble Simha rashi from September 2016 onwards. Most ailments this year will come and vanish in mysterious ways. Wrong diagnosis and incorrect treatments will be a norm in each illness in 2016 for Leo moon sign. This is why the Simha rashi must stay more alert about the health this year and should take second opinions before starting any treatments.

March to September 2016 is a period which can trouble the Leo moon sign the most with regards to their health.

JOB: Job prospects for 2016 for Leo or Simha moon sign born people:

In 2016 there will be a change of job for Leo moon sign. Sudden and unexpected obstacles will

appear in work or workplace but they will be solved quickly enough to limit the damages to bearable levels. There will not be much change in salary and other incomes in 2016 but the work profile and position will definitely get better.

Promotion in job may happen either in February or in April 2016. Simha rashi employees will perform very well in the tasks given to them this year. The favorable months for job related benefits are February, April, June, September and December.

BUSINESS: Business prospects for 2016 for Leo or Simha moon sign born people:

The financial crunch will be over in 2016 from February onwards and business will progress well. But, some problems of staffing, labour and workers will raise their heads from February to September 2016. The Simha rashi entrepreneurs should not be too disciplined, demanding and strict towards their employees this year as that can backfire and cause unrest among the employees.

The Leo moon sign entrepreneurs may change their business premises by acquiring new business spaces between March and August 2016. They should make proper arrangements for the safety of their business premises, employees and goods in 2016. There are high chances of losses due to theft, burglary, accidents or natural calamities in 2016.

EDUCATION: Education prospects for 2016 for Leo or Simha moon sign born people:

There will be some unexpected hindrances and delays in studies from February to July for Leo moon sign students. But, rest of the year from August 2016 is highly rewarding for Simha rashi students and for those who are going to appear for important examinations.

Leo moon sign students must stay devoted to their present educational courses and streams and should not change them mid way. Also, they should not add more study courses to their schedule and must stick only to doing only one course at a time.

For those Simha rashi students who are studying technical subjects like engineering and mechanics and those who are aiming to become accountants, lawyers, educators and chefs this year 2016 will bring very good opportunities and the chances of success for them in their studies and examinations are also very high.

WEALTH: Wealth prospects for 2016 for Leo or Simha moon sign born people:

The urge to gain more wealth and to increase the savings and investments which existed in 2015 will slowly subside by the end of January 2016. The wealth and assets will increase this year and the expenses will reduce for Leo moon sign.

August onwards there will be opportunities for investing in lucrative options in stocks, bonds and

bullion. The Simha rashi people will earn well through sheer hard work in 2016. They will also gain financially from redemption of investments made in the past. But, they must desist from day trading in stock markets in 2016.

REAL ESTATE: Property related prospects for 2016 for Leo or Simha moon sign born people:

For both commercial and residential real estate related deals 2016 is a favorable year for Leo moon sign. The most beneficial time is from February to September 2016. They can buy and sell property and will gain good profits from such deals in both land and built up properties.

They must try not to deal in new real estate in November and December 2016. These two months are good for mortgaging real estate already in possession.

Some Simha rashi people may shift their residences in 2016 to new houses built on their own lands. This is very likely to happen in either in March or in September 2016.

VEHICLE: Prospects related to vehicles for 2016 for Leo or Simha moon sign born people:

Leo moon sign should try not to be tempted to buy new vehicles in 2016. They should stick to their old vehicles. But, in case it is necessary they can buy in January or October 2016. The rest of the year is not favorable for this purpose.

Simha rashi are very likely to meet with vehicular mishaps this year. This risk is very high from March to September 2016 and the highest risk is in April, May and June 2016. They must drive very carefully in 2016 and should not drive vehicles when going on long distance travels by road.

LOVE: Love and Romance prospects for 2016 for Leo or Simha moon sign born people:

Love life gets spicier in 2016 for Leo moon sign. Similar to the trend of love life in 2015, the Simha rashi people will find love close to their homes. They will also come across exciting people in family functions, business meetings and on their holidays. In some cases an act of saving a person in distress will turn into love. A new love in life will arrive in February or April 2016.

The Simha rashi people are warned not to get too carried away by their emotions and their desires to truly possess and own their loved one. They could risk spoiling their love life by jealous, aggression and lack of understanding.

But, if they are able to curb such negative emotions then this year 2016 will turn into a year of passion for them bringing a lot of adventurous and enjoyable moments in love.

MARRIAGE: Marriage prospects for 2016 for Leo or Simha moon sign born people:

The best time for Leo moon sign singles for getting married in 2016 is first from January to April and then in October 2016. The marriage proceedings will be fast and smooth. The marriage ceremony may be held nearer to home where most of the friends and relatives are able to attend. A lot of enthusiasm, fun, enjoyment and passion will make the celebrations memorable.

For Simha rashi married people 2016 can bring a serious escalation in marital conflicts. This will begin from the last week of February and will continue till the end of September 2016. Issues of ego, dominance, aggression, jealousy and disputes related to home, vehicle and property will make this period highly tensed and high wired. Some Simha rashi married people who are facing marital problem may finally end the marriage either in February or December 2016.

FAMILY: Prospects related to family and relatives for 2016 for Leo or Simha moon sign born people:

There will be great relief from family worries and stress by February 2016. Parents' health will still remain a concern, mainly mother's health, from March to September 2016. Father's health concerns will be at a high in May and June 2016.

The relations with siblings will be good this year. The welfare and health of children will raise concerns till August 2016. Thereafter, by the help of a family member or a relative the anxieties about children will end.

August onwards the family environment gets better and there will be several occasions enabling Simha rashi people to enjoy family time with members of the immediate and extended family.

TRAVEL: Travel prospects for 2016 for Leo or Simha moon sign born people:

Leo moon sign will go on many long distance journeys in 2016. The journeys will be more in the second half than the first half of this year. Visits to religious places with family will also happen in March, April and December 2016.

Leo moon sign are advised not to use personally driven vehicles on their long distance journeys and should use public transports or taxis instead.

For the Simha rashi people who want to go abroad for work, holidays or settlement the period from February to September 2016 is much favorable. They must try their best during this period and they could find success in their efforts in very surprising ways.

REMEDIES: Jyotish remedies for 2016 for Leo or Simha moon sign born people:

Leo moon sign must strictly avoid wearing Black, Grey and Red in 2016. They should also avoid

full White clothes. Their beneficial colours this year are Yellow, Orange and Light Blue.

For better health, happy married life and for business gains they should keep fasts on Saturdays. They can donate or gift liquor, blankets or black lentils to the needy as a remedy for Rahu. For pacifying Saturn, they can donate sesame oil to the needy on Saturdays.

The Simha rashi people should wear a Ruby for both health and professional benefits in 2016. They should also wear a Yellow Sapphire for wealth gains, better marital life and success in foreign lands.
