

### Pisces - Meen - Moon Sign - 2016 - Jyotish Forecast.

2016 will initially bring increased worries about health which will reduce after July. The relationships and married life gets better. Expenses will reduce after August. Professional stress will peak in the first half of 2016 only to reduce to very low level in the second half. It is a highly favorable year for Pisces moon sign people for working in foreign nations.

#### **HEALTH: Health prospects for 2016 for Pisces or Meen moon sign born people:**

The health problems will turn mysterious and troublesome from February to July 2016. There will be difficulties related to correct diagnosis and proper treatment too. Meen Rashi people could experience the worst of health scares during this period. The ailments which can come up during this period are liver problems, fluctuating blood sugar, urinary disorders, allergies, skin diseases and problems of eyes and ears.

As August 2016 sets in most of these health issues will be gone but the vulnerability to allergies, skin problems, urinary problems and troubles of eyes and ears will still persist. Also, as the Meen Rashi people will start putting on weight August onwards the chances to suffer from obesity will be quite high in the last five months of 2016.

Pisces moon sign people should stay away from unhealthy food habits, alcohol and other intoxicants in 2016 if they want to stay healthy. They must develop a healthy lifestyle too which must include exercising regularly this year.

#### **JOB: Job prospects for 2016 for Pisces or Meen moon sign born people:**

There are going to be serious problems related to job from February to July 2016 for the Pisces moon sign employees. They could get involved in office politics, rivalries and controversies. The existing job could end all of a sudden and they could be without a job for one or more months.

But, this same period from February to July is good for those Meen Rashi people who are employed in areas like human resource, advertising, media and counseling. For others it is going to be a difficult period. A lot of caution, patience and discipline should be practiced by the Meen Rashi employees during this period.

August onwards the situation changes a lot and things start moving in positive direction. Job could change for good and income will increase considerably. This is very likely to happen in August or September 2016. Many Meen Rashi employees will find good jobs in other cities or nations. The relations with bosses will improve and the job satisfaction too will be quite high.
