

Virgo - Kanya - Moon Sign - 2017 - Jyotish Forecast.

Kanya Rashi people will experience great improvements in health, finances, love life, married life, family affairs, job and businesses in 2017. They will travel far and wide and will also go on a few pilgrimages this year. Most of their endeavours will be successful in 2017. It will be a highly satisfactory and beneficial year for Kanya Rashi people.

HEALTH: Health prospects for 2017 for Virgo or Kanya moon sign born people:

The health of Kanya Rashi people has been improving since August 2016 and it will further improve in 2017. Whatever persistent health issues which have been bothering them at the start of this new year will be finally be over by September 2017.

January 2017 is still a month when extra precautions are required regarding health. Hypertension, hormonal problems and disorders of sexual organs can bother Kanya Rashi people this month. Similar problems but to much lesser extent will come up in September 2017 too.

Skin ears, eyes and urinary system is still susceptible to illnesses till September 2017. But, these will be small and easily curable issues for Kanya Rashi people.

JOB: Job prospects for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi employees will experience desired growth in their careers this year. Their terms with their seniors and colleagues at work will improve a lot from February 2017 onwards. Most Kanya Rashi people can expect to be promoted to better work positions and work profiles in February, March, June and October 2017.

A change of job to a better one is possible between February and May 2017 for those Kanya

Rashi employees who are eager to do so. Most Kanya Rashi employees who work in multinational companies will travel abroad for work in 2017.

BUSINESS: Business prospects for 2017 for Virgo or Kanya moon sign born people:

2017 will be remembered by Kanya Rashi entrepreneurs as a year of big and positive changes. Expenses and losses will reduce further this year and profits will increase as a result. As all major investments have already been done in the last two years 2017 will be mainly a year of fast business growth and satisfactory dividends.

Those Kanya Rashi entrepreneurs who are in businesses related to garments, apparels, jewelery, food, hospitality, travel and entertainment will experience unusual success in 2017. Other areas where Kanya Rashi businesspersons will do well are wedding planning, event management, perfumery and classical dance and music.

Kanya Rashi entrepreneurs will travel a lot this year and will visit places which they have been planning to visit since long but have not done so yet. They will form new and useful collaborations in business. There are high chances of them getting into partnerships with businesspersons of opposite sex in 2017. All their business understandings will work well this year.

EDUCATION: Education prospects for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi students of law, education, philosophy, psychology, arts, music, dance, film making and graphic designing will do exceptionally well in 2017, mainly in the first half of this year. Other students too will do well and all Kanya Rashi students will perform well in all their examinations in 2017.

The last four months of 2017 are very favorable for those who are studying subjects related to languages, singing, accounting, sociology and cuisine. But, during these four months Kanya Rashi students are very likely to bring some sudden and big changes in their pattern of studies or in the subjects which they have taken up. Their focus on their existing courses of studies may also blur a bit during this period. They are advised to stick to their chosen subjects only.

WEALTH: Wealth prospects for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi people will earn well in 2017 and will be able to invest their money well in lucrative investments too. Most of their expenses this year will be on useful and interesting things only. They will benefit this year from distribution of family wealth and assets. Many Kanya Rashi people will end up inheriting money or assets from their parents or in-laws in 2017.

REAL ESTATE: Property related prospects for 2017 for Virgo or Kanya moon sign born

people:

All issues related to property will be solved in 2017. The real estate which has been stuck since some time will be sold and new property will be acquired from that sale money. This will happen in the seven month period from February to August 2017.

Kanya Rashi people will also have good rental incomes from the properties which they have leased out. They will benefit from both residential and commercial properties this year.

Highly favorable months to buy residential real estate are March, April, May and July 2017. For buying commercial real estate February, April, June and July 2017 are favorable.

Kanya Rashi people can shift to new homes in March, April and May 2017. They should avoid changing residences in January, June and September 2017.

VEHICLE: Prospects related to vehicles for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi people should not buy new vehicles and should not go on long distance drives in their vehicles in January, June and September 2017. There are high chances of losses and harms related to vehicles in these three months.

They should buy new vehicles in April, May, July and November 2017. For buying commercial vehicles February, April, October and November are best suitable months for Kanya Rashi people.

LOVE: Love and Romance prospects for 2017 for Virgo or Kanya moon sign born people:

Love life becomes very passionate, interesting and satisfying for Kanya Rashi people in 2017. But, January and September 2017 are months when Kanya Rashi people must be very cautious about their interactions with their beloveds and also with their social image with regards to members of opposite sex. There are high chances of controversies and other unwanted situations happening in matters of love and affairs in these two months.

February to May is an unusually peaceful, enjoyable and passionate period for K people. Most Kanya Rashi people will find themselves seeking true love during this period. They will become more devoted to their partners in matters of love. They will either become more committed to their existing relationships or will get into new and long term committed relationships.

MARRIAGE: Marriage prospects for 2017 for Virgo or Kanya moon sign born people:

2017 is a highly favorable year for Kanya Rashi singles who have been waiting to get married since long. The best and most favorable period is from February to May 2017. Highly beneficial

transits of Venus and Jupiter in these four months will make them very auspicious for the purpose of marriage for Kanya Rashi people. The marriage ceremonies organised during this period will be very smooth and almost perfect in all manners.

The Kanya Rashi married people too will experience great improvement in their married lives. A lot of love and affection will mark this year as a very happy one for them. Most of the complaints and mistakes will be forgiven and forgotten and the level of dedication towards the marriages will be exceptionally high this year.

The only time when some minor problems and discord can arise in their married lives is in January and December 2017. But, a little patience and understanding will be enough to solve all issues which arise during these two months of 2017.

FAMILY: Prospects related to family and relatives for 2017 for Virgo or Kanya moon sign born people:

The parents of Kanya Rashi people will be very supportive and will also have good health in 2017. Kanya Rashi people will have more focus this year on their family affairs than in the last ten years. Many matters related to family wealth and assets will be sorted out between September and December 2017.

Their siblings will have good relations with them most of the times in 2017 except for some short term disagreements and conflicts in July and August. The children of Kanya Rashi people may start helping them in some ways in their professions.

TRAVEL: Travel prospects for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi people will travel only when necessary in 2017 and most of their travels will be well planned and useful ones. They are more likely to visit places of religious or spiritual importance than the other moon signs in 2017.

The favorable months for Kanya Rashi people to go on pleasure trips are February, April, May and July 2017. For going on business trips March, May, July and August are favorable. For religious travels March and June are the most suitable months.

REMEDIES: Jyotish remedies for 2017 for Virgo or Kanya moon sign born people:

Kanya Rashi people should be using Green and Light Blue colours more often in their clothes and other articles of everyday utility in 2017. But, they must not use Red, Orange, Gray and Black this year.

Kanya Rashi people will have better health and mental peace if they donate Orange and Black garments or footwear to the needy in 2017.
