

Gemini - Mithun - Moon Sign - 2018 - Jyotish Forecast.

Gemini Moon Sign people will earn well in 2018 but their worries about wealth will persist this year too. The Mithun Rashi students will perform well this year. There can be difficulties in job. Businesses will grow well. Health should be a top priority in 2018 and there may be a surgery too. Relations with parents and in-laws will not be satisfactory. Love life will be happy and enjoyable.

HEALTH: Health prospects for 2018 for Gemini or Mithun moon sign born people:

The health problems which can trouble Mithun Rashi people in 2018 are many and of diverse varieties. Disorders related to lower intestines, genitals, skin, hair, ears, eyes, mouth, throat, blood pressure and blood sugar are the main health risks for Gemini Moon Sign people in 2018.

Problems related to blood pressure will trouble them more between April and November 2018. In the last three months of this year liver and pancreas related ailments can be troublesome. In 2018, most Gemini Moon Sign people will gain body weight and obesity can be a serious worry for many of them.

There are high chances of a surgery between May and October 2018. During this period Mithun Rashi people are highly prone to sustain bleeding injuries too.

JOB: Job prospects for 2018 for Gemini or Mithun moon sign born people:

2018 is a difficult year for Gemini Moon Sign employees. The risk of job loss is high and, even in cases where the job is secure, the office politics and the high expectations from them by their bosses will make their work very stressful. The situation will turn more unstable in the last three months of 2018.

Mithun Rashi employees are advised to search for better jobs in the first half of 2018 aiming to join the new positions by August. Whatever be the situation in their existing jobs they should

stay calm and should avoid involving themselves in any kind of politics or controversies. The effort should be to change jobs without spoiling relations with the previous employers.

Despite these difficulties in the job, Gemini Moon Sign employees will have both expected and unexpected increase in income and other work related monetary gains in 2018. They will have frequent work related travels this year.

BUSINESS: Business prospects for 2018 for Gemini or Mithun moon sign born people:

2018 will be year of new progress for Gemini Moon Sign entrepreneurs. They will be able to successfully reduce the costs and wastages. Their earnings will increase and this, coupled with the lower costs, will increase the profits. Business will grow well in 2018.

But, the Mithun Rashi businesspersons must also be very careful this year about legal problems, labour unrest and taxation related issues. Any such problems which come up in 2018 will trouble Gemini Moon Sign entrepreneurs for next two years. The labour related difficulties can arise in January and February and then again between May and August 2018. There are high risks of industrial mishaps during these above mentioned periods.

Mithun Rashi businesspersons can get financial support and loan from banks and other investors. And, it is advisable for them to go for loans or funding in 2018 if they have plans to grow their businesses. The favorable months for this purpose are January, February, November and December 2018.

2018 is more favorable for Gemini Moon Sign entrepreneurs who are in businesses related to education, law, finance, travels, engineering tools, and, security and risk management.

EDUCATION: Education prospects for 2018 for Gemini or Mithun moon sign born people:

Gemini Moon Sign students will find things becoming exceptionally favorable for them in 2018. They will be highly motivated to perform well in their studies. They will do well in almost all important examinations they will take this year. Those who have been planning to start a course in higher education, the first nine months of 2018 are very conducive for this purpose.

2018 is more propitious for Mithun Rashi students of law, education, computer sciences, medicine, surgery and engineering. The last four months of this year are advantageous for students of fine arts, performing arts, music, graphics and animation.

The best months in 2018 for Gemini Moon Sign students, to appear for important examinations, are March, April, June, September and October 2018.

WEALTH: Wealth prospects for 2018 for Gemini or Mithun moon sign born people:

Gemini - Mithun - 2018 Forecast

Though Gemini Moon Sign people will earn more and spend lesser this year they will be constantly worried about their savings and investments. Some unexpected problems regarding banking and investments can increase these worries this year.

From May to November 2018, Mithun Rashi people will have unexpected but good gains of money. These gains could also be through a windfall like a lottery or through inheritance. During this period their regular income will also be higher than usual.

Gemini Moon Sign people are advised not to be too confident about their wealth and savings. They should save more as the next three years may not be financially stable for them. They should also consciously try to keep their liabilities and expenses at moderate and bearable levels.

REAL ESTATE: Property related prospects for 2018 for Gemini or Mithun moon sign born people:

In 2018, Gemini Moon Sign people should focus more on acquiring land than on buying built up property. May, June, July, September and October are very suitable months for buying both residential and commercial plots of land. These are also favorable months for buying farmland.

In November and December, Mithun Rashi people should not do any deals related to real estate. There is risk of money getting blocked and also of getting involved in legal dispute. It is advisable that all real estate deals and their final payments plus registrations must be done before November 2018.

Gemini Moon Sign people could relocate to other residences in 2018, most likely in May, June or September.

VEHICLE: Prospects related to vehicles for 2018 for Gemini or Mithun moon sign born people:

Mithun Rashi people can buy new vehicles, for both personal and commercial use, in 2018. The favorable months for buying a new personal vehicle are March, April, June and September 2018.

The best time to buy commercial vehicles is in March 2018. Besides March the other favorable months for buying commercial vehicles are April and September 2018. Gemini Moon Sign people must not buy vehicles of Red, Orange and Gray colours this year.

Mithun Rashi people can buy used vehicles in 2018, but, they should not do that in the last three months of this year. From May to October, Gemini Moon Sign people must drive cautiously. They should go on long drives only when it is very necessary and must not go alone.

LOVE: Love and Romance prospects for 2018 for Gemini or Mithun moon sign born people:

In 2018, for Gemini Moon Sign people, buds of friendship will bloom into flowers of love. Past or existing fellow students will turn into romantic partners. Love life will be happy and meaningful and there are high chances of love affair turning into long term committed relationship.

In November and December 2018, due to the schemes of rivals or due to some disagreements on financial issues, there may be discord in the love life. But, a little more understanding, patience and devotion will solve these problems easily.

MARRIAGE: Marriage prospects for 2018 for Gemini or Mithun moon sign born people:

Mithun Rashi singles have more favorable chances of marriage in March, April, May, June and September 2018 than in other months of this year. The last three months of 2018 are actually not good for getting married. These three months will bring some difficulties and conflicts in marriages of Gemini Moon Sign people. This unhappiness in marriage will be there in 2019 too.

The months from May to November can bring discord and aggression even in the happiest of marriages, mainly due to financial reasons and also by undesired interferences from the in-laws. For those Mithun Rashi people who are already facing problems in their marriages these six months can be the beginning of a new battle in the long war.

Some Gemini Moon Sign singles will end up marrying someone who was a co-student earlier. Some may be forced to marry to take care of an unexpected pregnancy. Issues related to educational pursuits and children will dominate the decisions of Mithun Rashi people about marriage and married life, in 2018.

FAMILY: Prospects related to family and relatives for 2018 for Gemini or Mithun moon sign born people:

2018 will be a stressful year for Gemini Moon Sign people with regards to relations with family, relatives and in-laws. Expectations of support from the family will increase to impractical levels creating situations which may cause disappointments and souring of relations with the family members and other relatives.

From May to November 2018, there are high chances of increase in conflicts and disagreements with the in-laws. The situation can get very ugly in October 2018. Mithun Rashi people should try not to be involved any big financial deals with their in-laws in 2018.

The health of the parents of Gemini Moon Sign people will require some care in the last four months of 2018. Mithun Rashi people may have some differences of opinion with their fathers in these four months. Siblings will be more supportive and understanding in 2018 as compared to the last three years.

The relations with the children and other dependents of Gemini Moon Sign people will improve in 2018. The last four months will be more pleasant and meaningful in terms of bonding with the children. The children will do extremely well in their respective areas of studies and work in 2018. There are high chances of conception or birth of a child.

TRAVEL: Travel prospects for 2018 for Gemini or Mithun moon sign born people:

In 2018, the first nine months are better for travels for Gemini Moon Sign people than the last three months. They are likely to go on long distance journeys in February, March, June and September 2018. The travels will be work related and for holidays too.

But, a negative transit of Mars in the 8th house from May to October 2018 asks for caution related to health and safety during travels. Unexpected bad incidents can spoil the pleasure of the journeys if the Mithun Rashi people are not careful during these six months.

REMEDIES: Jyotish remedies for 2018 for Gemini or Mithun moon sign born people:

Gemini Moon Sign people should avoid wearing Red in 2018. They should use Gray too sparingly this year. The most favorable colours for them in 2018 are Green, Light Blue, Pale and Purple.

It will be good for their health and for their financial stability if they keep fasts on Tuesdays in 2018.

In gem-therapy, they can wear gemstones for Venus, like White Sapphires or Fire-Opals, in 2018, except in the first two months.

If their health permits, the Mithun Rashi people should donate blood in May 2018 to reduce the risk of injuries and accidents.
