

Sagittarius - Dhanu - Moon Sign - 2018 - Jyotish Forecast.

Dhanu Rashi people will find 2018 a good year for progress in job and business and for earning more money. But, they should focus more on their health this year. 2018 is a favorable year for buying or selling property. Dhanu Rashi students will do quite well this year. For getting engaged or married 2018 is a propitious year. Relations with parents and siblings will improve this year.

HEALTH: Health prospects for 2018 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign people will have to pay more attention to their health in 2018. Disorders related to nervous system, brain, mouth, eyes, ears, throat, skin and hair can trouble them in 2018. In the last three months of this year ailments connected to blood sugar and liver are also likely to come up.

Dhanu Rashi people could undergo a surgery of the knees, eyes, ears or throat in 2018. This is more likely to happen in June, July, and August 2018. The chances of suffering from injuries through physical attacks or mishaps are also high this year, mainly between May and October.

Sagittarius Moon Sign people are advised to donate blood in May or June 2018 as a remedy to protect themselves from injuries and mishaps. They should avoid consuming alcohol and other intoxicating products in 2018.

JOB: Job prospects for 2018 for Sagittarius or Dhanu moon sign born people:

Many Dhanu Rashi employees will leave their jobs to start their own businesses in 2018. For those who prefer to stay in their jobs, promotions to better job positions are possible in March, April and September 2018. These months are also good for switching jobs and jumping to the next level in the career.

Sagittarius Moon Sign employees will work very hard in 2018 and will gain appreciation and recognition from their co-workers and clients. There will be substantial increase in salaries of Dhanu Rashi employees this year, most likely in April and October.

Sagittarius Moon Sign people are very likely to be too straightforward and honest in their opinions towards work and co-workers. This could create some discontent against them among their co-workers, thus harming the bonhomie at the workplaces. This may happen between May and November 2018. Dhanu Rashi people must be more careful about their verbal and non-verbal expressions this year.

BUSINESS: Business prospects for 2018 for Sagittarius or Dhanu moon sign born people:

The first ten months of 2018 will be really good for the businesses of Dhanu Rashi entrepreneurs. From January 2018 good progress will begin, turnover will increase along with the profits. Sagittarius Moon Sign businesspersons can form mutually beneficial collaborations with other business entities in January, May, June and October 2018.

But, they must take precautions to prevent losses through fire, strikes, labour unrest, fires and other mishaps. From June to October is a period which demands more attention on these matters.

Sagittarius Moon Sign entrepreneurs will earn well in 2018 and they will be able to expand their business as per their plans. In November and December 2018 there could be some big expenses or investments. These two months could also bring some legal problems for the Dhanu Rashi businesspersons.

Dhanu Rashi businesspersons who work in the areas related to banking, accounting, education, training, law, and music, will find 2018 a very profitable and successful year.

EDUCATION: Education prospects for 2018 for Sagittarius or Dhanu moon sign born people:

Most Dhanu Rashi students will experience smooth progress in their studies in 2018. But, some Sagittarius Moon Sign students may experience some difficulties in January and February 2018. These difficulties could be related to shortage of funds, unexpected changes related to their studies, or, delays in examinations. But, these two months are favorable for those students who want to study in other cities or nations.

From May to November 2018 some Sagittarius Moon Sign students may change their courses of study and switch to more convenient options. Almost all Sagittarius Moon Sign students will find that their performances and creativities will increase during this May to November period.

Dhanu Rashi students who are studying in areas related to ophthalmology, Otorhinolaryngology (ENT), speech therapy, accounting, banking and sociology will benefit a lot by the favorable transit of planets in 2018.

WEALTH: Wealth prospects for 2018 for Sagittarius or Dhanu moon sign born people:

The income of Dhanu Rashi people will be reasonably good in 2018. Their expenses and losses will be much in control till October this year but from there on there will be frequent high expenses or financial losses. Most of these expenses will be unnecessary and avoidable.

In the first nine months of 2018 Sagittarius Moon Sign people will be able to save and invest well. But, there could be some difficulties or hassles related to banking and investments like stocks and shares in May, June, July and August 2018. But, these problems will be solved easily by some tact and timely action.

Dhanu Rashi people can invest in bullion in 2018. But, such investments must be done before October 2018.

REAL ESTATE: Property related prospects for 2018 for Sagittarius or Dhanu moon sign born people:

The year 2018, till September, is a favorable time to sell and buy real estate. No property deals must be done by Sagittarius Moon Sign people in the last three months of 2018. The best time to buy residential property is in January, March and September 2018. For commercial property the best time for Dhanu Rashi people is in January, February, April, June and September 2018.

Sagittarius Moon Sign people should give more preference to properties built on their own plots when buying residential real estate. In case of commercial properties they should look for properties located in multistorey buildings.

VEHICLE: Prospects related to vehicles for 2018 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign people should not buy used vehicles in 2018. They should buy only new vehicles of the latest models. For buying new vehicles, for personal or commercial use, March, April, July and September are best months. January, February, August and November are not favorable months for buying new vehicles.

Dhanu Rashi people should drive more carefully in 2018, mainly from March to October. There are planetary yogas which can cause high intensity vehicular mishaps during this period. Sagittarius Moon Sign people should avoid buying vehicles with Red, Gray, Black and Dark Blue colours in 2018.

LOVE: Love and Romance prospects for 2018 for Sagittarius or Dhanu moon sign born people:

Dhanu Rashi people will find love in the hearts of friends in 2018. Their dedication towards friendships will be more than enough to convince their romantic partners of their faithfulness.

Sagittarius Moon Sign people will stay devoted and committed in their love relationships in 2018.

Those Sagittarius Moon Sign people who are singles have bright chances of finding love in March, April, September and December 2018. Almost all Dhanu Rashi singles will be in dedicated relationships by the end of this year. But, the Sagittarius Moon Sign people should desist from bringing topics of money and expenses in their relationships. Such topics or issues can be detrimental for the happiness of the love life in 2018.

MARRIAGE: Marriage prospects for 2018 for Sagittarius or Dhanu moon sign born people:

2018 is a highly propitious year for Sagittarius Moon Sign people for getting married. Most importantly, the first nine months are more favorable for getting engaged and for organizing marriage ceremonies. Majority of Dhanu Rashi singles who are eager to get married will tie the knot in 2018. The best months for this purpose are March, April, July and September 2018.

In cases of those Dhanu Rashi people who are not in happy marriages, there could be an increase in discord in their marriages from May to October 2018. During this period even the smallest of doubts will grow big and the intensity of conflicts could be quite high. Dhanu Rashi people are advised to stay calm and patient during this period.

FAMILY: Prospects related to family and relatives for 2018 for Sagittarius or Dhanu moon sign born people:

In 2018, while the relationship with parents and siblings will improve a lot for Dhanu Rashi people, there will be some issues which can create disagreements with the family members. Such disagreements will come up in June, July, August and September 2018. But, by the end of this year the Dhanu Rashi people will stand vindicated and they will get full support from their family members.

The children and other dependents of Sagittarius Moon Sign people could display some rebellious spirit and could be one reason for the above mentioned disagreements. But, the children will do well in their areas of studies and work. The relations with them could be strained temporarily between May and November 2018.

TRAVEL: Travel prospects for 2018 for Sagittarius or Dhanu moon sign born people:

The travels of Dhanu Rashi people in 2018 will be useful and enjoyable till September 2018. But, in the last three months of this year, the journeys could be detrimental to the finances and to the health too. In these three months, Sagittarius Moon Sign people should travel only when it is unavoidable.

In 2018, the Dhanu Rashi people will rarely travel alone. They will be accompanied by their
