Medium level of health precaution is advised for Leo Moon Sign people. Income will increase along with the expenses and losses too. Debt will rise. There will be exceptionally good progress in the job and business. But, 2020 is not a favorable year for business partnerships. There are very few good yogas for marriage. The love life will be stressful and unpredictable. 2020 is good for buying commercial property.

HEALTH: Health prospects for 2020 for Leo or Simha moon sign born people:

From February 2020, Leo Moon Sign people are more prone to maladies related to joints, bones, lower back, intestines and nerves. Those who have a tendency to gain weight easily will have a tough time controlling the body weight in 2020. Obesity is a big risk for Simha Rashi people this year. If they are not cautious about their lifestyle and food then by the end of 2020 they will be very likely to have gall bladder problems, high blood sugar, kidney troubles, high cholesterol or problems related to liver.

April, June, July, October, November and December 2020 are more difficult months for those Leo Moon Sign people who have a history of health issues related to kidneys, blood pressure and heart. For those Simha Rashi people too who are hitherto seemingly healthy but are having unhealthy lifestyles kidney troubles, blood pressure and heart related problems can come up suddenly in these months in 2020. These months also have high risk of injuries and mishaps, for Leo Moon Sign people.

JOB: Job prospects for 2020 for Leo or Simha moon sign born people:

The first nine months of 2020 are very favorable for all Leo Moon Sign employees. But, for those who work in industries related to hospitality, food, travel, cosmetics, apparels, music, arts, entertainment, graphics, animation, designing and event management, the best months for career growth are April, May, June and July 2020. These four months will be generally good for the job-related progress of all Leo Moon Sign employees but those who are in the above mentioned professions will experience exceptional improvement in their performances at work, appreciation from seniors, rewards for the work done and respect from colleagues.

Most Simha Rashi employees will either be promoted to higher positions with better salaries or they will join new and better jobs in 2020. Such positive changes in job are very likely to happen

in January, March, July or August 2020. But, the Leo Moon Sign employees must be at their diplomatic best to prevent setbacks at work in February, October, November and December 2020. These months can bring up unexpected problems in quite unexpected ways, mainly due to the office politics and work stress. So, Simha Rashi employees must desist from voicing their honest opinions about work, co-workers and bosses in 2020.

BUSINESS: Business prospects for 2020 for Leo or Simha moon sign born people:

Simha Rashi entrepreneurs will work very hard in 2020. Their efforts will bring good results in form of reduction of business expenses and increase in profits in the first eleven months of 2020. But they are advised not to be in a hurry to hire more workers or to invest big amounts of money in their businesses, because, from the end of December 2020 the expenses and losses will spike suddenly and they will have a tough time controlling the problems in the business.

From April to July 2020 is a beneficial period for the Leo Moon Sign businesspersons. If they want to start a new venture in 2020, they should aim to start it in these four months. Also, this a good time period for improving the working conditions, smoothness of work, beautification, cleanliness and the comfort of the workers in their existing businesses and business premises. These four months are going to be exceptionally good for those Simha Rashi businesspersons who own businesses related to travel, food, hospitality, music, interior decoration, vehicles, high end apparels, beauty products and home appliances.

2020 is not at all a good year for Leo Moon Sign entrepreneurs regarding business partnerships and joint ventures. Due to the transit of Saturn in the sixth house which denotes enmities, rivalries and losses, next two years are not conducive for Simha Rashi businesspersons for forming new business collaborations. Even the existing business partnerships will become troubled due to financial disputes and burden of debt.

Sadly, there are very few good yogas for marriage for Simha Rashi people in 2020. The most auspicious of them is in January 2020 only. In the rest of the months of this year, in April, May, June and December 2020, there are yogas for marriage but they are not so powerful. Those Leo Moon Sign people who really want to get married in 2020 can plan their marriage ceremonies accordingly. But, to be honest, for the next two years, there are no really potent yogas for marriage, for Leo Moon Sign people.

2020 is a bad year for marital happiness and the health of the spouse. Those Leo Moon Sign people who are going through unhappy marriages will see high turbulence in the married life in 2020. The worst months for them are April, June and July 2020. These months can be so challenging for Simha Rashi people that even the happily married ones will become worried and stressed. But if the Leo Moon Sign people are patient and are ready to go through all ups and downs calmly then they will be able to pass 2020 without any major damages to their marital harmony.

FAMILY: Prospects related to family and relatives for 2020 for Leo or Simha moon sign born people:

2020 is mostly good regarding the health, welfare and progress of the children and dependents of Leo Moon Sign people. But in April, May, June and November 2020 serious health problems or behavioral issues can demand more attention on them. During these months, the interactions of Simha Rashi people with their children and dependents could involve high extremes of emotional expressions and mistrust. These four months are difficult and will require from Leo Moon Sign people more patience and understanding towards their children

The relations of Simha Rashi people with their parents will be good in the first nine months of 2020 but in the last three months some amount of mistrust and disappointment will creep in. April, June, July, October, November and December 2020 are not good for the health of the

mothers of the Leo Moon Sign people. These six months are also not good regarding the relations with the in-laws. Out of these six months, October, November and December 2020 have the highest risk about the welfare and health of both sides of parents, own and in-laws. However, in 2020, the mutual cooperation and affection with the siblings will be a satisfactory development for Simha Rashi people.

TRAVEL: Travel prospects for 2020 for Leo or Simha moon sign born people:

In 2020, Leo Moon Sign people's travels will be motivated mainly by purposes related to education, health and spirituality. This year, they are not likely to go on planned holidays simply for pleasure. Some of their journeys may be for work too in 2020. Simha Rashi people will not have comfortable and beneficial travels in 2020 as most of their journeys will have some kind of major inconvenience and hassles. Still, the comparatively better time for going on important journeys this year is in February, May and September.

During their travels in April, June, July, October and November 2020, Leo Moon Sign people are at a high risk of suffering losses related to money, baggage and other valuables. Therefore, on their journeys in these months, they must not be too reckless and adventurous. Their own safety and the safety of their belongings must be the top priority on such journeys. Also, during these months, they should not go on long distance journeys by driving their own vehicles.
