

Taurus - Vrishabh: Moon Sign - Jyotish Forecast for 2021

There will be frequent and useful travels in 2021. Jobs and businesses will progress well. Health problems will be mysterious in their occurrence and disappearance. 2021 is a good year for Vrishabh Rashi students who want to study abroad. Love life will have more meaning and clarity. Taurus Moon Sign people will buy better and more expensive vehicles in 2021. Married life will be happy, peaceful, more satisfying all meaningless relations will end this year.

HEALTH: Health prospects for 2021 for Taurus or Vrishabh moon sign born people:

In the first four months of 2021 and in November 2021 the Taurus Moon Sign people may have some major health problems but most of these ailments will be easy to handle and cure once they are correctly diagnosed. Yes, most health issues of Vrishabh Rashi people in 2021 will not be correctly diagnosed at first and they will appear and disappear mysteriously. The health disorders which can trouble Vrishabh Rashi people in 2021 could be related to liver, pancreas, nervous system, kidneys, skin and hair. Some Taurus Moon Sign people can suffer from headaches, lethargy, obesity and fluctuation of blood pressure too, in 2021.

To stay healthy in 2021, Vrishabh Rashi people should eat their meals at proper times and should have proper sleep at night. Any disturbance in the body clock by irregular meal times and staying awake till late at night will only aggravate their health issues. In June, July and November 2021 Vrishabh Rashi people should not take part in activities which puts them in high physical risk, as they will be very prone to suffer from injuries to their limbs through accidents in these three months.

JOB: Job prospects for 2021 for Taurus or Vrishabh moon sign born people:

2021 will be a beneficial year regarding growth in career for Taurus Moon Sign employees. Yes, there can be some stress and difficulties in the first four months of this year but later on there will be smooth and desirable progress on job front. There will be satisfactory increase in salary and other perks; they will get appreciation and rewards for good performance; and they will have much better relations with their seniors and colleagues at work.

In 2021, most Vrishabh Rashi employees will be promoted to high positions. Those Taurus Moon Sign employees who want to change jobs will get such opportunities in June, July and September 2021. Those Vrishabh Rashi employees who work in industries related to travels, off

shore trading, foreign currency trading, international law, foreign education, film making and media will experience better growth in their careers than other Taurus Moon Sign employees. Overall, 2021 will be a fruitful year for Vrishabh Rashi people with regards to job.

BUSINESS: Business prospects for 2021 for Taurus or Vrishabh moon sign born people:

Those Taurus Moon Sign businesspersons whose businesses involve import or export of goods or services, trading in foreign currencies, and those Vrishabh Rashi entrepreneurs who have business establishments in various cities or countries, will have unprecedented growth in their businesses in 2021. The best progress of all Taurus Moon Sign entrepreneurs in their work will happen in May, June, July and December 2021. This year their working costs will be much in control and the profits will remain high throughout the year.

Of course, there are difficulties in all businesses at one time or another. This year too, in January, February, July and November 2021 problems related to paucity of funds, workers' unrest, disagreements with business partners and issues related to taxes can trouble them. But, such difficulties will be for very short time and most such problems will be solved easily by being patient and by thinking a little differently.

EDUCATION: Education prospects for 2021 for Taurus or Vrishabh moon sign born people:

The education of the Taurus Moon Sign students can be disrupted severely in January, February, March and November 2021. January and February 2021 can be highly unpredictable, stressful and frustrating months for them. But, if they are patient and perseverant enough then they will be back on track of good and regular studies from April 2021 onwards, with only minor difficulties happening in November 2021. This year, the matters related to health, funds, travels and personal life can determine how well they will be able to pursue their academic dreams.

Vrishabh Rashi students of psychology, law, education, business, foreign languages, philosophy, political science and public relations will have more success and opportunities in their academic pursuits than other Taurus Moon Sign students. Like 2020, the year 2021 too is favorable for those Vrishabh Rashi students who want to join educational institutions in distant cities or in other nations. For that purpose April, May, September and December 2021 are more favorable than other months of 2021. For all Taurus Moon Sign students, the best months for appearing for important examinations, in 2021, are June, July, September and October 2021.

WEALTH: Wealth prospects for 2021 for Taurus or Vrishabh moon sign born people:

In January and February 2021 the financial situation of Taurus Moon Sign people could become difficult but in later months of 2021 they will earn well, spend well and will be able to save and invest well too. This is going to be a fruitful and satisfactory year for Vrishabh Rashi people in terms of gains related to income and wealth. Their expenses, although high, will be much lower

compared to the expenses and losses in past three years. And, a good increase in income will balance the high expenses putting in more money in their savings and investments.

Vrishabh Rashi people will spend the most on education, children, travels and work in 2021. They will earn money from different sources and will have some satisfactory windfalls too. Some Taurus Moon Sign people can gain money or assets through inheritance too in 2021. Investments in stocks and bonds are advisable for Vrishabh Rashi people in 2021 but they should not invest in bullion this year. They can invest in foreign stocks too in 2021.

REAL ESTATE: Property related prospects for 2021 for Taurus or Vrishabh moon sign born people:

In 2021, Taurus Moon Sign people should not invest in real estate and also not sell any real estate in January and February 2021. The planetary transits in these two months are not favorable and cause losses and hassles like money blocked in bad deals, being scammed, and getting entangled in legal hassles. In 2021, the best and most favorable time for Vrishabh Rashi people for buying and selling residential real estate is in May, June, August and September. For commercial properties, it is better to finalize the deals in April, May, August or December 2021. No commercial real estate deals should be done by Taurus Moon Sign people in other months of 2021.

In 2021, many Vrishabh Rashi people will be interested in acquiring properties of commercial uses. Such properties will give them good returns for a long time in future. But, they should study all legalities and fine print before putting in their money in non-residential real estate in 2021.

The first four months of 2021 are not at all favorable for entering new homes. Many Taurus Moon Sign people will shift into new residences this year. The most favorable months for this purpose are May, June and December 2021. Those Vrishabh Rashi people who prefer getting their homes constructed according to their own designs will be able to get the same done in 2021. But no such construction work should be started before the second half of April 2021. The best time for beginning the construction of a house is in May 2021.

VEHICLE: Prospects related to vehicles for 2020 for Taurus or Vrishabh moon sign born people:

Travelling long distance by driving their own vehicles will become a common desire of Taurus Moon Sign people in 2021. This will motivate them to buy better and more expensive vehicles than what they presently own. Vrishabh Rashi people should buy new vehicles in 2021 but not in the first four months of this year. Vehicles bought in January, February, March and April 2021 are likely to give more troubles related to frequent faults, repairs, break downs or high cost of maintenance. In 2021, the most beneficial months for buying new vehicles for personal use are May, June, October and December. For commercial vehicles, May, September and December 2021 are best months.

In March, April, June, July and November 2021 the Vrishabh Rashi people are more likely to drive carelessly and to get their vehicles damages in mishaps and accidents. It is advisable for them to be more alert in these months and to keep their vehicles in good working condition.

LOVE: Love and Romance prospects for 2021 for Taurus or Vrishabh moon sign born people:

Love life of Taurus Moon Sign people will be marked by positive changes in 2021. Their expectations and desires will be more realistic and they will not waste time and energy in pursuit of unachievable love. Vrishabh Rashi people will be more focused, devoted and pragmatic regarding the kind of romantic partners they want. As a result, the relationships which were becoming meaningless and bothersome will end and new stable, meaningful and steady relationships will begin for Taurus Moon Sign people in 2021.

The relationships which had lost meaning are more likely to end in January and February 2021. In June and July 2021 some short term confusions and temptations will come in the hearts of Vrishabh Rashi people but such confusions will soon end giving way to more clarity about their preferences regarding love. Taurus Moon Sign people will meet several intelligent, helpful and wise people in 2021 and they will become emotional closer to some of them.

MARRIAGE: Marriage prospects for 2021 for Taurus or Vrishabh moon sign born people:

For most Taurus Moon Sign married people the married life will be peaceful, without confusions and without any high expectations, meaningful and satisfying, in 2021. Still, they will have to take care and should avoid all unnecessary arguments and ego tussles in January, February, October and November 2021. This year, those Vrishabh Rashi people who are going through bad marriages will, finally and peacefully, decide to end their marriages.

For Taurus Moon Sign singles who want to get married the first four months of this year, August and November 2021 are not favorable for getting married. The auspicious months for all marriage related ceremonies and functions are May, September, October and December 2021. No marriage related plans, discussions or decisions should be done in January and February 2021. Vrishabh Rashi people should wait for March before finalising any such plans.

FAMILY: Prospects related to family and relatives for 2021 for Taurus or Vrishabh moon sign born people:

In January, February, March, October and November 2021 the Taurus Moon Sign people may have to pay more attention to the welfare and health of their parents. There are high chances of some serious health issues happening to their parents in these months. If these health problems are handled properly then there will be no more reasons for worries regarding the parents. This year the siblings of Vrishabh Rashi people could face some troubles in their marriages or love relationships requiring some advices or help from the Taurus Moon Sign

people.

The children and other dependents of the Vrishabh Rashi people will be more or less okay this year and they will give no major causes of worries to the Taurus Moon Sign people. With their in-laws too the Taurus Moon Sign people will have much improved relations in 2021. These relations will get better in the second half of this year.

TRAVEL: Travel prospects for 2021 for Taurus or Vrishabh moon sign born people:

From the beginning of this year 2021 Taurus Moon Sign people will be travelling very frequently. Most of their travels in 2021 will be for work but they will go on well planned holidays too this year. Travels with family members, to religious and spiritual places, will also be there in 2021.

2021 is also a favorable year for those Vrishabh Rashi people who want to relocate to other cities or countries for work. For this purpose the first three months are very favorable for them. So are the months of October and November too.

During their travels in 2021 the Taurus Moon Sign people will spend more wisely this year and their health and expenses too will be under control. The best months for important journeys are May, June, July, September and October 2021. The months when important and long term journeys should be avoided are January, February, August and November 2021.

REMEDIES: Jyotish remedies for 2021 for Taurus or Vrishabh moon sign born people:

In 2021, Vrishabh Rashi people should wear more of Green, Blue, Violet and White colours. They should avoid Gray, Black and Brown in all months of 2021 and should in January, February, March, October and November they should avoid Yellow colour too. These precautions related to colours must be applied with regards to clothes, vehicle and all other things of day to day use.

April, May and December 2021 are favorable months for Taurus Moon Sign people for wearing gemstones for Saturn. So, they can wear Blue Sapphires or Amethysts in these months. For wearing a gemstone for Venus like a White Sapphire or a Fire Opal only July, October and December 2021 are auspicious months for Vrishabh Rashi people. Taurus Moon Sign people can wear Emeralds too as gemstones for Mercury in June and September 2021.

The transit of Rahu in Vrishabh Rashi in 2021 can cause health problems and anxieties for Taurus Moon Sign people. To reduce the negative effects of Rahu Vrishabh Rashi people should donate black or Gray clothes or items to the needy on Saturdays. They should desist from consuming alcohol on Saturdays. It is advisable that, if possible, they should not consume anything which can cause intoxication in all months of 2021.
