

Aries - Mesh: Moon Sign - Jyotish Forecast for 2022

Health should be the first priority, mainly from May 2022. Job and business will progress very well this year. Income will be good but expenses will be high too. Family troubles will reduce from May 2022. It is a good year for foreign travels. Education will progress well and this year is favorable for foreign studies too. Love will be found in distant lands. 2022 is an important year to get married and to get divorced too.

HEALTH: Health prospects for 2022 for Aries or Mesh moon sign born people:

In 2022, Aries Moon Sign people have to be very careful about health. The concerns about health can increase from May causing several moments of severe worries and anxiety about health in the subsequent months. In 2022, Mesh Rashi people can suffer from ailments related to mouth, teeth, hair, ears, brain, skin, liver and sugar. They will also be prone to fluctuations of the blood pressure and of the physical energy too. The health problems are more likely to occur or increase in the months of January, April, May, July and October 2022.

Regular exercises, meditations, healthy food and a disciplined daily routine will prevent most of these above mentioned health problems. But, if the Aries Moon Sign people fall prey to laziness and if indiscipline creeps into their daily routine the health problems will occur and increase mysteriously and uncontrollably.

JOB: Job prospects for 2022 for Aries or Mesh moon sign born people:

For the Aries Moon Sign employees the job situation will be good, progressive and more or less satisfactory in 2022. Many Mesh Rashi employees could decide to quit their jobs to start their own businesses this year. In 2022, the employees who work in the fields related to entertainment, media, manufacturing, construction, accounting and finance, will experience

unprecedented success in their jobs.

But, there are times when Mesh Rashi employees should be cautious and patient in their jobs, in 2022. They should be more patient and perseverant in January, February, July and August 2022. These are the months when unexpected troubles, losses and setbacks regarding career can happen, though these problems will be temporary and will not hinder the growth in the career in any big way.

BUSINESS: Business prospects for 2022 for Aries or Mesh moon sign born people:

2022 is again another good year for Mesh Rashi entrepreneurs. This year too promises good growth in business, increasing profits, long term investments, success in most endeavors and rise in both fame and recognition in business community. The revenues will remain high and profits too will increase.

From May 2022 onwards Aries Moon Sign businesspersons will be spending more money to run their businesses more efficiently. That is a good time to infuse more capital into the business and to attract investments too. But, the Mesh Rashi entrepreneurs should be careful and should not go overboard when investing more money into their businesses, especially when getting investments from institutional lenders and investors. There is a risk of thinking too big and getting stuck in the debt trap after a few years.

EDUCATION: Education prospects for 2022 for Aries or Mesh moon sign born people:

The studies and academic pursuits of Aries Moon Sign students will proceed smoothly in 2022. In the first four months of this year the progress will be faster and easier than in the later eight months of 2022. Mesh Rashi students will excel in all important examinations in the first four months of 2022. In the later eight months they may have to work harder and things may not move as desired. Some unseen obstacles can come in their studies and delays can happen in October, November and December 2022.

In 2022, the Aries Moon Sign students of law, education, medicine, media, engineering, architecture, geology and philosophy will fare much better than the Mesh Rashi students of other subjects. For those Aries Moon Sign students who want to go abroad for higher studies, the time is very favorable from April 2022. But, they may end up spending more than what they had initially planned in their attempts to join foreign universities. So, they should watch their funds and expenses when planning for foreign studies in 2022.

WEALTH: Wealth prospects for 2022 for Aries or Mesh moon sign born people:

The income, investments and savings will be higher in the first four months of 2022, as compared to the later eight months of this year. In the months from May to December 2022, the income will be good but the expenses will increase substantially, for Mesh Rashi people. Most

of these expenses will be on non-essential things and activities, mostly for the sake of maintaining a social status and to show off one's riches.

In 2022, Aries Moon Sign people will also spend a lot on religious and spiritual activities. It is advisable for them to convert the yoga for high expenses, from May 2022, into a yoga for investments by investing in stocks, shares, property and bullion. If they do not invest money wisely in any investment options then the same yoga for high expenses will cause useless expenditure and financial losses too.

REAL ESTATE: Property related prospects for 2022 for Aries or Mesh moon sign born people:

In 2022, Mesh Rashi people can invest in both residential and commercial real estate. The best months for Aries Moon Sign people for buying commercial properties are January, February and March 2022. For residential properties, they should look for opportunities in June, July and August 2022. Mesh Rashi people will be able to acquire very lucrative properties in 2022. And, they will also gain from the sale of their existing real estate.

Many Mesh Rashi people will shift to new residences in 2022. This is most likely to happen in February, March or August 2022. This year, the Aries Moon Sign people will spend much time and money to renovate or decorate their residences before moving in. Even those Mesh Rashi people who are not shifting to new homes will do some interior or renovation work in their existing homes in 2022.

VEHICLE: Prospects related to vehicles for 2022 for Aries or Mesh moon sign born people:

In 2022, Mesh Rashi people should avoid buying new vehicles in March, May and October. The best time to buy new vehicles, both commercial and personal, is in June, July and August 2022. This year, Aries Moon Sign people will opt for expensive but powerful and heavy vehicles. They are very likely to buy vehicles which can put a strain on their budgets, motivated by high desire to show off such expensive purchases.

The Mesh Rashi people should drive very carefully in March, April, October and November 2022. There are high chances of vehicular mishaps in these months and the repairs to the damages to vehicles could cost a lot too. It is better to be very cautious and the Aries Moon Sign people should drive very safely when in these months.

LOVE: Love and Romance prospects for 2022 for Aries or Mesh moon sign born people:

In January and February 2022, Mesh Rashi singles will find new love in distant lands. This could happen through online interactions with interesting people or through the travels of Aries Moon Sign people. Most such love affairs will be meaningful, satisfying and long lasting. Some of the

existing and new love relationships of Mesh Rashi people could convert into engagements or stable live-in relationships in the first four months of 2022.

From May 2022, the Aries Moon Sign people will become more eager to attract love and lovely people by spending and showing off money. But, that could backfire in some cases and instead of finding true love they could end up in tiresome relationships with gold-diggers. There are high chances of being disappointed in love in October and November 2022.

MARRIAGE: Marriage prospects for 2022 for Aries or Mesh moon sign born people:

In 2022, the first six months are very favorable and auspicious for Mesh Rashi people for getting engaged and for getting married too. Thereafter, there are no good yogas for marriage for Aries Moon Sign people. And, in these six months, the best time for getting engaged or married is in February and March 2022. Most Mesh Rashi people who are in stable love relationships will get married in February and March 2022.

In 2022, those Mesh Rashi people who are in unhappy marriages could take decisions to separate, in April, October or November. Such decisions could be sudden and they could be triggered by even trivial matters. But, these decisions will be final and they will provide the final relief from the stressful situation in the marriages.

FAMILY: Prospects related to family and relatives for 2022 for Aries or Mesh moon sign born people:

In the first four months of 2022 too, the family affairs and problems related to family members, their health, their welfare, family assets and family's reputation, will keep the Aries Moon Sign people busy. But, from May 2022, some relief and peace will come in form of some simple solutions to most of the family issues.

The parents of the Mesh Rashi people will require more attention on their health and welfare in 2022. But, most of their problems will be solved or managed easily in 2022. The siblings of Aries Moon Sign people will be quite cooperative and understanding this year. The children of Mesh Rashi people will do well in their respective studies and work.

TRAVEL: Travel prospects for 2022 for Aries or Mesh moon sign born people:

In 2022, Mesh Rashi people will travel frequently for work, pleasure and pilgrimage. The best time for them to travel in 2022 is in January, February, March and May. The months after 2022 are not much favorable for any important travels, for Aries Moon Sign people.

From April 2022 onwards, Mesh Rashi people should be more alert about controlling their expenses and should be watchful of their health and personal safety too, during their travels. They should ensure that all their travel plans are made well in advance.

In 2022, from May, Aries Moon Sign people are at a high risk of getting into legal troubles during their journeys and holidays. So, they should be more careful to avoid all such activities which can create troubles with the law when they are travelling.

REMEDIES: Jyotish remedies for 2022 for Aries or Mesh moon sign born people:

The Mesh Rashi people can wear Yellow Sapphires in January 2022. In other months of 2022 there are no good yogas for wearing a gemstone for Jupiter. Aries Moon Sign people should wear Ruby gemstones for Sun and Moonstones for Moon in 2022. The best months for wearing Rubies are April, May, August and September 2022. Those Mesh Rashi people who have well placed Mars in their horoscopes can wear Sindoori corals too in July 2022.

In 2022, the favorable colours for Aries Moon Sign people are Red, White and Brown. They should avoid Black and Gray colours in all months of 2021. Also, they should avoid Yellow colour too from April to December 2022.

Fasting on Saturdays should be continued by Mesh Rashi people in 2022 too. They should gift or donate black or Gray items to the needy on Saturdays.
