High expenses, bad investments, unexpected monetary losses and other financial troubles can happen in January, February, March and April 2022. So, Pisces Moon Sign people should be very careful to not to invest big money or to buy anything expensive in these four months of 2022. The main reasons for high expenses in these four months will treatment for health issues, travels and hasty investments.

But, from May 2022, Meen Rashi people will be able to cut costs and save more money. They will invest more wisely and their eagerness to spend money will also reduce a lot. The reasons for spending money will also decrease and most of their problems will be solved without the need to spend big amounts of money. In 2022, Pisces Moon Sign people will invest in property, stocks, bonds and bullion. But, they should wait till May 2022 for such investments.

REAL ESTATE: Property related prospects for 2022 for Pisces or Meen moon sign born people:

In the first four months of 2022, Pisces Moon Sign people will be keener to buy and they can buy residential properties like houses, apartments and condos. But, during these four months they should not buy or deal in any commercial real estate before May 2022. There is a high risk of losing money, getting an expensive deal or the money getting blocked in bad deals, in January, February, March and April 2022.

The best time to buy commercial properties, for Meen Rashi people, is in May, June, July, August and December 2022. This year, Pisces Moon Sign people will be able to acquire good, well located and very lucrative commercial properties. They will benefit a lot from such acquisitions in form of rental income or a good growth of business through these new commercial spaces. In 2022, from the month of May onwards, Meen Rashi people should try to invest more in commercial properties than in residential ones.

VEHICLE: Prospects related to vehicles for 2022 for Pisces or Meen moon sign born people:

The months of January and February 2022 are favorable months for Meen Rashi people for buying a new personal vehicle. But, they should be careful not to put in too much of money in such purchases. These two months are good for selling their existing personal vehicles too. The other favorable times in 2022 for buying new personal vehicles are July and December 2022.

Many Pisces Moon Sign people will go for vehicles which can be put to some commercial use, in 2022. They will prefer vehicles which are sturdy, durable and which can generate some income easily. For buying commercial vehicles, May, June, July and December 2022 are quite favorable months for Meen Rashi people.

In January, February, March and April 2022, Pisces Moon Sign people should avoid any long distance driving and they should be more careful and alert about the safety of their vehicles. There are high chances of mishaps related to vehicles, like accidents, theft and other unexpected damages. In 2022, they should avoid driving vehicles which are Grey, Black and Red in colour.

LOVE: Love and Romance prospects for 2022 for Pisces or Meen moon sign born people:

January and February 2022 will bring new and interesting people within the friends' circle of Pisces Moon Sign people. And, some of these friendships will turn into love affairs. But, the seriousness of such affairs will not be much and there is likelihood that most such affairs will end before April 2022. Some of these affairs will continue, for some Meen Rashi people, and they will turn into long term serious relationships.

In May and June 2022, the love life of Pisces Moon Sign people will be full of tremendous ups and downs, challenges and adventures. They will become more eager to experiment and some of them can even stray out of their ongoing relationships. But, most of the Meen Rashi people will be able to go through this rough but interesting period without much harm done to their relationships. Thereafter, a lot of mutual trust, devotion and dedication will be there in their love relationships.

MARRIAGE: Marriage related prospects for 2022 for Pisces or Meen moon sign born people:

January to April 2022 is not a conducive and auspicious period for Pisces Moon Sign people for getting engaged and for getting married too. This changes totally after April 2022 and, thereafter, the rest of the year is very favorable for Meen Rashi people for both these purposes. Out of the eight favorable months from May to December 2022 the best time for marriage related ceremonies, functions and other activates, is in May, June, July and August 2022.

Except the first four months of 2022 the rest of the year will be peaceful, meaningful and happy with regards to the marital relations of the Meen Rashi people who are already married. There will be devotions, dedication and a lot of mutual respect and love in their marriages. But, in the first four months of this year their patience, dedication and resolve will be tested several times. Those who are already going through bad marriages will find it extremely difficult continue with the stressful relationships. But, if they are somehow able to sail through these four months most of the troubles will vanish and they will be able to save their marriages.

FAMILY: Prospects related to family and relatives for 2022 for Pisces or Meen moon sign born people:

2022 can be a stressful year for Pisces Moon Sign people with regards to family affairs. The health and welfare of the family members and relatives will keep them anxious and busy too. Parents' health will be a big concern in the first four months of 2022 but from May 2022 those worries will decrease substantially. But, the problems and worries about other family members and family assets will continue in 2022.

Their relations with their siblings will improve and the mutual interactions will also get better in 2022. The children and dependents of Pisces Moon Sign people will become more stable and successful in their own fields of studies and work. These positive changes will happen mainly after March 2022.

TRAVEL: Travel prospects for 2022 for Pisces or Meen moon sign born people:

2022 will be full of frequent travels for Pisces Moon Sign people. Their journeys in 2022 will be planned and unplanned both, short term and long term, and, short distance and long distance too. But, their journeys in the months from May 2022 will be more enjoyable, useful and beneficial for their professions too than the travels before May 2022. There are more chances of high expenses, health problems and other losses in journeys in the first four months of 2022.

In 2022, the most favorable months for Meen Rashi people for going on important travels are May, June, September and December. May and June 2022 are the months when those Pisces Moon Sign people who want to settle down abroad will get good opportunities for such purposes.

REMEDIES: Jyotish remedies for 2022 for Pisces or Meen moon sign born people:

Yellow Sapphires are recommended for Pisces Moon Sign people as gemstones for Jupiter, in 2022. But, they should not wear any gemstones for Jupiter before May 2022. The best months for wearing these gems are May, June, July and August 2022. Meen Rashi people can also wear Sindoori corals for Mars and Moonstones for Moon, in 2022.

The Meen Rashi people should strictly avoid wearing clothes of Black and Gray colours in 2022. They should avoid Yellow too till April 2022. But, they can wear and use Yellow in their garments and other belongings after from April 2022 onwards. The other favorable colours for Meen Rashi people in 2022 are Red, Pink, White and Brown.
